January, 2017

Hannah Flood

Thanks to the generosity of the South Jersey Region members, we made 4 Sunshine Foundation families' Christmas very special this year.

Each of the 4 families received gift cards to various stores in order to purchase Christmas gifts and food.

The gift cards were purchased with your donations and hand delivered to each of the families.

As you can see from the photos, the families were very happy with their gifts.

## PRESIDENT'S CORNER

*Ray McFarland*

As your new President I am happy and hopeful to make this coming year a success for our club.

While leading our region through this coming year I will be looking for opportunities for our members to participate while traveling in our automobiles. This will include day trips to points of interest within a few hours of our homes along with overnight tours of interest to everyone.

I would also like to encourage members to join in the pleasures of AACA Tours and Meets. We will also be looking to participating with other AACA Regions for joint tours.

I welcome your input and ideas for places to visit that we all would enjoy.

Happy Motoring in this New Year!

## FROM YOUR EDITOR

Please remember to let me know if you have any changes to your email, phone or address so I can keep you current.

Please don't forget to get me your stories about your automobiles. And don't forget your classified ads.

## **Meeting Highlights of the South Jersey Region Monday, January 9, 2016**

The meeting was called to order by President Ray McFarland. All stood for the Flag salute. There were no visitors or new members in attendance.

Becky Counsellor did not have last month's Secretary's report as Janet Erdner was ill and not in attendance.

Edna Norris gave the Treasurer's report and it was approved as read. The bills were approved for payment.

Correspondence: We received a letter from AACA explaining the change in the AACA Museum.

Becky also read a card from the Sunshine Foundation.

Ray then called Chuck Gibson to the front to explain the questions everyone had regarding the AACA National and the AACA Museum. A motion was made and approved, not to give our usual donation to the AACA Museum.

Fran Shore also noted that all donations, weather to AACA, AACA Library or AACA Museum should always be designated to the "Endowment Fund".

Ray read the section from our By Laws regarding the formation of a Budget Committee. Chuck Gibson will chair this committee and will report back to the club next month.

Doretta Scott then gave a report on the Sunshine Foundation donations and the 4 families who benefited from our donations.

Ray noted that the following members, Marven Chin, Ron & Doretta Scott have volunteered to audit the treasurer's books.

Gary Green gave a report on the upcoming Swap Meet set for March 26, 2017. Flyers were mailed last week and he brought extra flyers for everyone to take with them to hand out to local businesses.

Ray noted that we would be having a Winter Tour to the Boyertown Museum of Historical Vehicles on January 28, 2017. We will be meeting at the Pennsville Burger King at 8:00 am and then travel up to Boyertown.

Chuck Gibson explained that the Boyertown Museum is having a special display in commemoration of the 70th Anniversary of Pearl Harbor and his 1942 Chevrolet Blackout car will be on display up there for several months.

The 2017 Bobbit Cruise Flyers are available for everyone to take. Our first Bobbitt Cruise will be April 19th.

Friendship & Food Night Out will be on Thursday January 12th at the Maplewood III Restaurant, Route 47 (Delsea Drive), Vineland, NJ.

January 23rd at 7:00 PM is the Board of Director's Meeting at Hitchner's Furniture.

Motion to adjourn was at 7:55 pm.

## **SJRAACA COOKBOOK**

If you attended our 50th Anniversary Banquet, you received one of our SJRAACA Cookbooks.

Our SJRAACA Cookbook has been recently revised by Valerie Wynne, with many new recipes. But, the big surprise is when you turn it upside down you will have a copy of our original cookbook from 25 years ago.

Our cookbooks are for sale at \$10 each for those who would like to purchase for gifts. They will be for sale at our meetings and also at our cruise nights.

## Sensational Streamline Modern Postwar Good Gulf Service Station

This Gulf Oil Company service station located in Philadelphia was designed in the Streamline Modern type of architecture that was popular from the mid-thirties until the fifties here in the US and around the world. The “Good Gulf Nonox” neon sign out in front most likely lit with the Company’s orange and blue colors must have been one of the most creative and attention-getting of its type designed in the period.

Surrounding the gasoline station and in the background is a series of parking lots filled with both pre and post-war automobiles. In the rear center of the photo which is dated 1947 is a sign on the side of a building for “Reliable Motors,” a Pontiac dealer. ### A Car for Mom: Our Five Most Popular Classics for Women

By Rob Sass

Go to a classic car show and you’ll see a lot of men between the ages of 45 and 75, but it’s no longer a boys’ club. Women, particularly baby boomers, have been getting into the classic car hobby in increasing numbers. Here is a list of the top five most popular classic cars among female collectors according to data by Hagerty Insurance, the nation’s largest insurer of classic cars.

1. **Chevrolet Corvette:** No surprise here, everyone (male and female seems to love a Corvette, America’s longest-running sports car. Corvettes from the 1950s and 1960s have been the traditional blue-chippers, with Stingrays from the 1970s gaining in popularity of late.
2. **Ford Mustang:** Like the Corvette, the Mustang’s popularity seems to cross genders and generations. Convertibles from the mid-1960s are the most prized. The palette of interior and exterior colors available was dizzying, and it seems like no two are ever exactly alike.
3. **Chevrolet Camaro:** The recent successful reintroduction of the Camaro has spurred increased interest in its classic inspiration from 1967-69. Again, like the Mustang, convertibles are the most coveted and color options seem to be just as important for female collectors as the power under the hood.
4. **Volkswagen Beetle:** Just as the New Beetle is an overwhelming favorite among female buyers, the classic air-cooled version is too. Beetles are ideal first collector cars. Inexpensive to maintain, and a lot of fun to drive. Convertibles are wonderful Sunday drivers while in places with moderate climates year round you can still see sedans used as everyday transport. The classic air-cooled Beetle convertible was sold in the U.S. until 1980.
5. **Ford Thunderbird:** Maybe it was Suzanne Sommers in “American Graffiti,” those famous scenes of her in a white Thunderbird, but 1955-57 T Birds have been favorites among women who own classic cars seemingly forever. Like most of the cars on this list, classic T-Birds are dependable and easy-to-live-with classics.
