2017 AACA Founders Tour - Gettysburg PA

Eighteen South Jersey Region members attended the AACA Founders Tour in Gettysburg PA in June.

The Gettysburg Region AACA did a wonderful job of showing us some of the Gettysburg area we would not normally see if touring on our own.

Twelve of us met at the Pennsville Cracker Barrel for breakfast before traveling to Gettysburg.

We all arrived at the Wyndham Hotel in Gettysburg on Sunday afternoon where we immediately went to the Hospitality Room to receive our tour packets.

It was so nice to see some of our AACA friends we usually see on many of the previous AACA tours we had attended. After catching up with everyone, our South Jersey group decided to go to dinner at the restaurant by the hotel, where we had a great dinner.

Our group consisted of 2 couples who had never attended a national tour, Larry & Eileen Niedzialek and Don & Maria Symonds. The rest of us are seasoned tour participants and we were all looking forward to a fun week.

Monday, we all gathered in the hotel parking lot bright and early (7:30-8:00 am). Our first stop was at the Pine Grove Furnace State Park where we had our coffee break (donuts coffee, juice, etc.).

After our coffee break we traveled to Carlisle PA to the Meadowbrooke Gourds showroom and factory. It was just amazing to see what they can make from gourds. Many of us purchased a lot of items.

SUNSHINE

Miriam Willis reported for Bonnie Green that "Thinking of You" cards were sent to Sue & Dave Birchmire, Bill & Valerie Wynne and Bob & Theresa Chalow.

PRESIDENT'S CORNER

Ray McFarland

Summer is your opportunity to enjoy your old car, meet some new folks who like our cars and also help the younger generation get enthused about older cars. The very young may ask..."Did you buy it new?", "How fast will it go?", "How do you survive without air conditioning?" The little ones love to blow the

horn, try to crank the engine (our 1917 still has a crank). But to crank that engine you would have to be Charles Atlas (wow anyone still remember who that was?) or the Incredible Hulk for the younger set.

We try to encourage young families to sit in our cars or on the running board for photos. Trying to instill the joys of traveling in an open car with all the smells of the open countryside is something we need to encourage. Offer rides, if you can, in your automobile. We often take our car to church and many of our friends ask for a ride around the block. This can also encourage people to get into the hobby. Maybe even add a new member to our club. We are always telling others about our outings and tours.

Your automobile is really on loan to you for now and will eventually get passed on to someone else later in time. So stimulate interest in the younger generation. Plant the antique car seed and water as needed.

Happy Motoring!

FROM YOUR EDITOR

Wow! What a great summer it has been so far! We have been busy with our cars.

Many of our members attended the AACA Founders Tour in Gettysburg, PA and had a wonderful time.

Then we had a very busy weekend where some of us attended the Ocean City, NJ Car Show during the morning and early afternoon and then completed the day by going to the Kountry Kitchen Cruise in Elmer, NJ. Then the next day 18 members traveled up to Lambertville and attended the WoodMeier Car Show and Pig Roast.

Our Cruise nights at Bobbitts have been well attended and we are attracting many new members.

This month Ray and I along with Terry Shelton & Miriam Willis will be going on the AACA Vintage Tour. This should be a really nice tour up in Wellsboro and Lock Haven, PA and one day in Hammondsport, New York. We plan to put a few miles on our Model A.

Can't wait to tell you all about it.
Have a wonderful July!

Linda McFarland

HELP US CREATE A SPECIAL TIRE REGISTRY TO SHOW DEMAND

(AACA Speedster, April 2017)

We live in an economy which is about 70% consumption based. Suppliers respond to perceived demand. The AACA vehicle owners currently have a weak spot in that demand cycle.

Each year, we see an increased number of vehicles on our fields which originally had alpha radial tires. These are primarily GM, Ford and Chrysler vehicles from 1975 through 1978. Most called for GR78-15, HR78-15 and LR78-15 tires.

I propose that a registry be built identifying AACA vehicle owners who have these particular vehicles needing these or similar tires.

Please contact me with year, make/model, tire size and contact information.

Eric C. Marsh
575 Paulownia Drive
China Grove, NC 28023
Cell: 704-267-9383 (I do NOT text)
Email: ECMarsh@ctc.net

I will log all the information I receive into a database. Once the number of entries is sufficient to gain attention, I will present a summary to Coker, Kelsey & Universal to get their attention and hopefully a commitment to initiate supply.

Please spread the word. We need to build demand.

**Meeting Highlights of the
South Jersey Region
Monday, July 10, 2017**

The meeting was called to order by President Ray McFarland at 7:00 PM and all stood for the Flag salute.

Ray then asked for any guests or new members. Chris Hoffner introduced himself as a new member. Chris owns a '29 Model A Sedan and also a '29 Model A Truck.

Roger Anderson also introduced himself as a new member. Roger recently attended the Ocean City Car show with new member Bob Thomson. Roger has a '29 Model A 4 door Sedan.

Ray welcomed the new members.

Becky Counsellor read the secretary's report and it was approved as read.

Edna Norris was unable to attend and will have an updated treasurer's report next month.

There was no correspondence.

Miriam Willis gave the Sunshine Report since Bonnie Green is away. "Thinking of You" cards were sent to Dave & Sue Birchmire, Bill and Valerie Wynne and Bob & Theresa Challow.

Ray noted that several members attended the Ocean City NJ car show on Saturday, June 24th including new members Bob Thomson and Roger Anderson. Chuck & Joyce Gibson and Paul and Phil Kinsey along with Ray & Linda McFarland also attended.

That evening the Kountry Kitchen was well attended and everyone seemed to enjoy the good food and beautiful cars.

On Sunday June 25th 18 South Jersey members attended the Woodmeier Car Show and Pig Roast in Lambertville. A thank you note was sent to Bruce Meier thanking him for a beautiful day.

Ray noted that our Friendship & Food Night out would be this Thursday, July 13th. After some discussion it was decided we would go to the Golden Palace Restaurant in Vineland. Linda will make the arrangements.

Wednesday, July 19th is our Bobbitt Cruise and Saturday, July 29th is our next Kountry Kitchen Cruise.

Sunday, September 10th will be our Annual Club Picnic. Please sign up at the desk after the meeting. The cost is \$10 per person and will be refunded after you attend.

We still have free AACA memberships available so please encourage your friends to join our club.

Linda McFarland noted that we are still looking for ideas for a 1 day tour or an overnight tour. If anyone has ideas or suggestions please let her know.

Meeting was adjourned at 7:30 pm.

FOUNDERS TOUR (Continued)

After visiting Meadowbrooke Gourds we traveled a short distance to the Penn Township Volunteer Fire Company where we enjoyed a terrific lunch.

After lunch we went to the Army Heritage Center Foundation where we saw many displays about the Army and our Soldiers' contributions to the Nation. They had many interactive displays where we were able to shoot a rifle and also feel what it would be like to parachute out of a plane.

Bonnie Green trying out the parachute

Tuesday we left the hotel by 8:00 am again and our first stop was a coffee break at Fort Richie in Cascade Maryland. For lunch we traveled to the Washington County Rural Heritage Museum where we toured the various buildings with antique autos, farm equipment, toys and many other items of yesteryear. We then enjoyed a box lunch on the grounds. After that we traveled to Waynesboro PA and the Renfrew Park Museum. The 1812 restored farm was extremely interesting with its beautiful grounds.

Rural Heritage Museum

Wednesday we again left the hotel by 8:00 am and unfortunately it was a rainy day, but that didn't keep us from enjoying the day. We started off by visiting Don & Carol Barlup's 1926 "Tressler Service Station", now Don's "Man Cave" for our coffee break.

Brenda Kaiser at Barlup's "Man Cave"

We traveled through Perry County and were able to travel under several covered bridges. After traveling

through the covered bridges we enjoyed a very nice lunch made by the Blain Fire Co. Ladies Auxiliary.

Thursday, our tour brought us back on U.S. Route 30 to Kinzers PA and the famous Rough &

Tumble Museum. We had a lovely day. The sun was shining and the temperature was perfect. We decided to pick up lunch at Wawa prior to going to Rough & Tumble and we picnicked on the grounds.

The many buildings and displays were all opened for us this day and our cars were on display for all to see.

After going to Rough & Tumble a few of us decided to go to the National Christmas Center and we all enjoyed their extensive displays of Christmases of yesteryear.

McFarlands, Symonds & Greens at Christmas Museum

This was a beautiful day but a long day. We traveled a total of approximately 140 miles round trip.

(Continued on page 6)

FOUNDERS TOUR (Continued)

Friday, our last day of the tour, we again left the hotel by 7:30 am in order to get to the Gettysburg

Symonds, Niedzialeks, Erdners, McFarlands & Greens at the Gettysburg Battlefield Visitor Center

Battlefield Visitor's Center for our 8:15 am & 8:30 am designated theater show. What a wonderful show it was. It was a 20 minute movie and then we went

up the stairs to the 1863 depiction of the 3 day battle and the Cyclorama that was breathtaking. Painted by French artist Paul Philippoteaux, in 1882, it is 377 feet long and 42 feet high. It took him 1 1/2 years to paint.

After taking in all the displays at the visitor center, we went back to our cars and traveled the "Auto Tour" through the actual battlefield. We stopped at many of the monuments.

Dave & Brenda Kaiser & John & Fran Shore touring The battlefield.

Don & Maria Symonds on the battlefield

Virginia Memorial

Below is a statue of Lieutenant General James Longstreet. General Robert E. Lee referred to him as "My Old War-Horse".

The many monuments and statues were so numerous and beautiful to see. Every state that fought in the battle has been represented either by monument or statues.

Lunch was at the Gettysburg Fire Company. We enjoyed a very nice box lunch.

The Eastern Museum of Motor Racing was next on the tour. Most of our group opted to skip this museum and head back to the hotel

That evening we enjoyed our closing banquet.

The Gettysburg Region AACA had some beautiful raffle baskets and items. Bonnie and Gary Green were very lucky in the raffle department and won 3 items.

Bonnie & Gary and their winnings.

We were very fortunate that everyone's car ran very well and only Gary had alternator problems that he fixed quickly.

We left early the next morning for home after having a nice breakfast at the hotel.

I know that everyone can certainly say that we had a wonderful tour.

Thank you to the Gettysburg Region AACA for hosting a extremely well done & interesting tour.

WOODMEIER FARM Classis Car, Truck & Tractor Show & Pig Roast

Sunday, June 25, 2017, 18 members of the South Jersey Region attended the WoodMeier Farm Car Show in Lambertville, NJ.

Ten of us met at the Malaga Diner for breakfast while the remaining 8 members met us at the show.

Those who attended were Rich & Elaine Faunce, Ray & Linda McFarland, Gary & Bonnie Green, Larry & Eileen Niedzialek, Ray & Judy Fischer, Ron & Doretta Scott,

Russ & Maryjane Shipman, Don & Maria Symonds, Jim & Donna Vertoli.

We had a beautiful ride up Rt. 206 to Lambertville and the weather was perfect.

The show was very well attended and our host, Bruce Meier and his family provided us with a beautiful area with tents and excellent food and music for the day. Mr. Meier's farm consists of 80 beautiful acres of farmland and buildings.

The food was really good and plenty of it. Here is Ray in front of the two pigs roasted for the picnic.

We celebrated Doretta Scott's birthday with a special cake that Ron brought to the picnic.

We had a nice wagon ride around the Meier Estate. Beautiful horses and lovely grounds.

There were many beautiful automobiles at the show along with some very unusual vehicles. There were several antique tractors.

And also these 3 Lamborghinis for everyone to see.

Of course our autos were there. Here is Judy & Ray Fischer's 1952 Ford.

It was a lovely day and we couldn't have asked for nicer weather for a picnic.

62nd ANNUAL OCEAN CITY BLYLER/GODFREY MEMORIAL ANTIQUE AUTO SHOW & BOARDWALK PARADE Saturday, June 24, 2017

Several South Jersey Region members attended the annual Ocean City, NJ Antique Auto Show on Saturday, June 24th.

The members present were Ray & Linda McFarland & grandson Jack, Joyce and Chuck Gibson, Paul Kinsey, Phil Kinsey, Bob Thomson and Roger & Spencer Anderson.

The Jersey Cape Region AACA always has a great show and this year was no different except the stormy weather in the early hours of Saturday morning kept some folks from coming early. Most arrived much later in the morning. But the day turned out beautiful and there were plenty of cars to see.

The highlight of the show for our grandson Jack is always the ride up on to the Boardwalk. It's always a treat as he helps his PopPop drive the Buick.
