### St. Michaels Fall Tour

By Fran Shore

Ray and President Ed Nabb of Bay Country Region AACA

The opportunity to enjoy the friendship of our region members who traveled to St. Michael's, Maryland this past weekend was great.

President Ray and "Mother Goose" Linda did an outstanding planning of places to see, places to eat, and guiding us through this beautiful Chesapeake Bay town.

The St. Michael's Inn was good, the evening socializing pleasant and it was a nice way to have time to chat and be together.

The Coffee and Cars at the Classic Motor Museum of St. Michael's was a nice way for "car people" to begin the day.

Maria & Don Symonds and Ray at Motor Museum

We had time to wander the town that began as a place for religious and racial freedom and on to the years of "watermen". The bay was the livelihood of these residents and now the tourist has become the important financial income.

The Patriot boat ride was a visual and audio representation of the historical, economical and personal story of this area.

We were told of the creation of the bay, the years of the Indians, the discovery of this bay by the early explorers of our country and the many famous people from here who have left their imprint from their contributions to our country.

We watched the geese and bay ducks in their migration as they flew in and settled into the bay marsh areas. The boating activity was picturesque with small boats, yachts and the sailboats skimming the quiet waterways.

We had time on our own to shop and to visit other venues and to enjoy this gentle town. This is Maryland's lovely southern bay area and to tour to here was a pleasant way to appreciate nature's fall beauty and our South Jersey Region's camaraderie.

We had laughter and made memories.

Thank you Linda and Ray

## PRESIDENT'S CORNER

*Ray McFarland*

Hello Friends! I missed seeing you on our St. Michaels tour. Twenty members with 6 vintage cars and 4 modern rides motored to St. Michaels using roads with 45-65 mph. Driving back roads and US 301 with mostly no big trucks.

Enjoying the beautiful fall colors.

St Michaels is a quaint small town whose history revolves around the water. Watermen built their town from the riches harvested from the bay.

We were pleased to participate with the Bay Country Region AACA at the St. Michaels Motor Museum on Saturday. You will see photos in this newsletter of the beautiful automobiles at this museum.

We are planning more outings this fall and winter. Keep on motoring.
