ANNUAL CLUB PICNIC

SUNDAY, SEPTEMBER 10, 2017
Ft. Mott State Park, Pennsville NJ

The South Jersey Region Annual Club Picnic was attended by 49 adults and 5 children. The weather could not have been any better. Our food, catered by the Italian Kitchen and desserts made by the members was plentiful and delicious. Janet Erdner and

Bonnie Green made sure all was in order for the day, with beautiful centerpieces and tablecloths. Most everyone had arrived by noon with a couple of late comers.

The photos taken by Maria Symonds, Linda McFarland & Ron Scott tell the story of our wonderful day.

PRESIDENT'S CORNER

Ray McFarland

Greetings friends! We drove our '63 Buick Convertible to Atlantic City to be driven in the Miss America boardwalk parade. This was our 4th year of driving the Buick in the parade. Miss California, our granddaughter, her friend Maddie, Ms. Woodside Brandon the driver and Miss California's representative and little daughter all road in the Buick. The 6 young ladies enjoyed the cheering and photos being taken along the parade route.

Linda and I walked beside the Buick about half of the boardwalk route. Then we stopped and enjoyed the parade for 2 hours. Our son and daughter-in-law walked the entire route beside the car just to make sure there were no problems. All went well.

We are looking forward to the 2018 Miss America parade. They are always looking for convertibles and drivers for this parade so if you are interested please let me know and I can give you more information.

South Jersey Region's picnic was great and well attended. Lots of antique cars and Terry Shelton drove his Model 'T' pickup. When he walked around checking on his pride and joy he discovered the rim on his back wheel had a split approximately 5 inches long. So Terry asked me to follow him home. OH THE JOYS OF ANTIQUE AUTOMOBILES!

Don't believe me? Just ask Bob & Tina Thomson. After the picnic, Bob & Tina got into their '31 Model A Roadster for the trip home. Bob started the car and it made a funny noise and then would not run. Some of us assessed the problem and found out that the timing gear teeth broke. Bob immediately called AAA and requested a tow home. He and Tina arrived home safely.

On the lighter and brighter side, join us for the St. Michaels, Maryland tour on November 3,4,5, 2017. Hope you can join us.

Keep those wheels rolling! Enjoy the fall weather.

FROM YOUR EDITOR

September already and how we love this month. Not too hot and not too cold. Just perfect weather for riding in our antique automobiles. We are looking forward to our Annual Club Picnic and by the time you read this we will already have enjoyed a beautiful day.

Looking ahead, we have our Bobbitt Cruise Night on September 20th and the Kountry Kitchen Cruise on Saturday September 23rd.

A lot of us will be attending the Hershey Eastern Fall Meet the week October 4-7.

Don't forget there is still time to register for our Fall Tour to St. Michaels Maryland November 3,4,5, 2017.

See you down the road!

Linda McFarland

Bartuk Hose & Hydraulics is a distributor for BrakeQuip products. They can make D.O.T. approved brake lines, power steering lines, fuel lines, and air conditioning hoses for most vehicles, regardless of their age. Even if it's a very unique fitting, we can usually re-use the fitting on a new hose.

HELP US CREATE A SPECIAL TIRE REGISTRY TO SHOW DEMAND

(AACA Speedster, April 2017)

We live in an economy which is about 70% consumption based. Suppliers respond to perceived demand. The AACA vehicle owners currently have a weak spot in that demand cycle.

Each year, we see an increased number of vehicles on our fields which originally had alpha radial tires. These are primarily GM, Ford and Chrysler vehicles from 1975 through 1978. Most called for GR78-15, HR78-15 and LR78-15 tires.

I propose that a registry be built identifying AACA vehicle owners who have these particular vehicles needing these or similar tires.

Please contact me with year, make/model, tire size and contact information.

Eric C. Marsh
575 Paulownia Drive
China Grove, NC 28023
Cell: 704-267-9383 (I do NOT text)
Email: ECMarsh@ctc.net

I will log all the information I receive into a database. Once the number of entries is sufficient to gain attention, I will present a summary to Coker, Kelsey & Universal to get their attention and hopefully a commitment to initiate supply.

Please spread the word. We need to build demand.

**Meeting Highlights of the
South Jersey Region
Monday, September 11, 2017**

The meeting was called to order by President Ray McFarland at 7:00 PM and all stood for the Flag salute. A moment of silence was also observed to commemorate September 11.

Ray then asked for any guests or new members. There were none.

Becky Counsellor gave the Secretary's report and it was approved as read. Edna Norris gave the Treasurer's report and it was also approved as read.

Linda McFarland gave the Sunshine report since Bonnie Green was on vacation and Miriam Willis arrived late. Sympathy cards were sent to John & Fran Shore and Dave & Sue Birchmire. A get well card was sent to Edna Norris.

Ray noted that 49 adults and 5 children attended the Annual Club Picnic at Ft. Mott yesterday. A nice day was had by everyone, despite some mechanical problems with 2 cars.

Friendship & Food for September. A motion was made and approved that we postpone Friendship & Food for September until October since most of us were at the picnic.

Ray reminded everyone that September 20th is our next Bobbitt Cruise and September 23 is our last Kountry Kitchen Cruise for the season. Next month, Saturday, October 14th from 3:00-6:00 pm is our Bobbitt "Toys for Tots" Cruise.

Ray noted that Elmer Day is October 7th and is being handled by the Elmer Committee since most of us will be in Hershey.

The Fall Tour for November is filling up. There are still 4 rooms left. You must reserve by October 3rd.

Linda gave information on several car show opportunities in our area. One in particular will be on September 30th in Mays Landing and is in place of the Pumpkin Run. It is a free event at the Belcoville Community Center, 1200 Loretta Ave., Belcoville, NJ (Mays Landing). There will be more information on page 7 of this newsletter.

Bob Thompson then spoke regarding a penetrating oil product named "Aero Krol" which works very well. It is available at Williams Auto Parts. It is a little more expensive than other products of this type but well worth the price because of the great job it does.

Since there were no further items for discussion, the meeting was adjourned at 7:40 pm.
