January 2018

Ray and Linda McFarland delivered gift cards to three Sunshine Foundation Families.

On Sunday, December 17th we visited the Marino Family of Delran,

NJ. Armani Marino (16 years old in Santa hat) was the Sunshine young person. He was very personable and loved receiving the gift cards that would help make his family's Christmas a little brighter. Armani also has two younger brothers.

That same afternoon we visited Shamyra Owens (19 years old) in Penns Grove, NJ to deliver her gift cards. Shamyra and her mother were very appreciative to receive the gift cards.

On Monday, December 18th we traveled to Mays Landing, NJ to visit Kiyanna Robinson (11 years old) to present her with her gifts from our club. We definitely made a special Christmas for these 3 families.

Thank you South Jersey Region AACA.

PRESIDENT'S CORNER

Ray McFarland

Greetings members! Linda and I are preparing for the AACA Annual Meeting in Philadelphia in February. This is the place to meet new friends and enjoy the time with older friends from far away. It's also a time to learn about what AACA has

planned for 2018 & 2019. Attending the various automotive seminars is always a highlight of the Annual Meeting. We also look forward to meeting folks and telling them about our South Jersey Region and activities together with learning about other region's activities planned to keep the hobby growing.

This year we were asked to bring our 1917 Haynes to the Sheraton to display in the Trade Show area on the 2nd floor with other 100 year old automobiles. We are hoping that the cold weather will ease up a little in order to make the trip a bit easier for "Helen Haynes" (as we affectionately call her). We will definitely be trailering her into Philadelphia.

Winter is the time for doing heavy maintenance on our older vehicles. Our '63 Buick is having a valve job and new hydraulic lifters installed. The lifter on the one side started tapping on the Florida trip this past October. I added a can of cleaner that helped, but the tap came back at the Salem Christmas Parade. So I pulled the heads and looks to be the first valve job. This is a cool job working in a large pole barn with only a small wood stove.

Hope you are all keeping warm.

FROM YOUR EDITOR

Linda McFarland

Looking ahead to a new year is always fun. We are starting to plan for the 2018 cruise season and already have our Bobbitt Cruise dates set. We will again be meeting the 3rd Wednesday from April thru September with our Toys for Tots Cruise on Saturday, October 20, 2018. We will also be meeting with the Kountry Kitchen to set our dates with them shortly.

As long as the weather is not a problem we will be planning a trip to the Bethlehem Museum of Industrial History and America on Wheels Museum. More information on that to come.

We have our flyers for our March 25th Swap Meet already out in the mail and we are gearing up to get ready for that.

I am always looking for articles from our members on their special ride. Please take a few minutes to write up something for our newsletter that everyone will enjoy reading.

**Let's Make a New Year's
Resolution!**

**Wayne Tuck
Vice President, Membership**

How many of you have ever made a New Years Resolution? Lose weight? Go to the Gym three times a week? Get the house trim painted? Get that old car out and drive it at least once a month? I'm sure many of us have made some type of resolution.

Now how many of you have broken that resolution? We usually have some excuse. Sometimes circumstances just make it impossible to accomplish. Sometimes our resolutions are overly ambitious.

Let me suggest we make a resolution that we can all accomplish if we put in a little effort. Sign up a new AACA member. That doesn't sound too hard does it? The world is full of old car fans. Shouldn't they all be members?

Stacy Zimmerman's recent Speedster article regarding AACA being a "Best kept secret" was a real eye opener. We all know what a great organization it is and all the benefits AACA has to offer. Why aren't we out there spreading the word? Most of us pay a lot more attention to a friend or acquaintance making a referral or recommendation than we do to paid advertising. Why keep it a secret?

I challenge you to each join me in celebrating the new year with the following resolution:

I resolve to sign up at least one new AACA member in 2018!

Fall 2017 AACA Rummage Box

P.S. We have several free memberships available for new folks who would like to join AACA. Bring them out to our next monthly meeting.

LONGWOOD GARDENS at CHRISTMAS

Thirty five members and friends of the South Jersey Region visited Longwood Gardens on Thursday, December 28th. We left the Pennsville Burger King at 1:45 pm and arrived at Longwood Gardens around 2:30 pm. Several of our Delaware and Pennsylvania members met us at Longwood for our 3:00 pm entrance time.

The weather was very cold but at least it wasn't snowing.

The gardens were beautiful and the Christmas displays were breathtaking.

After touring the gardens, many of us met at the Longwood Family Restaurant for a nice dinner.

40 Million

Fire Extinguishers Recalled

Just recently a recall was announced involving 40 million fire extinguishers manufactured by Kidde. The recall involves 134 models of Kidde fire extinguishers manufactured between January 1, 1973 and August 15, 2017, including models that were previously recalled in March 2009 and February 2015. Be advised that some of the recalled extinguishers were sold under names other than Kidde (i.e. Fuller Brush, Honeywell, Montgomery Ward, Sears and other names).

<https://inmarmarketaction.com/kidde/>

Be advised that the link above has the list of recalled extinguishers. It also lets you submit your request for a replacement extinguisher after you provide your name, address, the model extinguisher and serial number. It verifies that your extinguisher is being recalled and submits your request for a replacement. If you do not want to submit your request online, you can contact Kidde via telephone to find out if a fire extinguisher is included in the recall or to get a replacement. Contact Kidde at 855-271-0773 between 8:30 a.m. and 5 p.m. EST Monday-Friday (excluding holidays), or between 9 a.m. and 3 p.m. during the weekend to determine whether your extinguishers are affected.

Given how many AACA members have fire extinguishers for their vehicles, we have no doubt that some AACA members have extinguishers that are being recalled. Please take action on this situation immediately and be sure to share this information with all of your region and chapter members as soon as possible.

AACA ANNUAL MEETING

February 8-10, 2018

Sheraton Philadelphia Downtown Hotel

AACA will host its 82nd annual meeting at the Sheraton Philadelphia Downtown Hotel in Philadelphia once again this year.

There will be something for everyone; seminars, trade-show exhibitors, automobile exhibits, and youth-oriented activities.

If you are interested in the seminars offered, please copy and paste this link below for the schedule.

This year Ray was asked to bring our 1917 Haynes to be on display.

Hope to see you there.

You should attend a National AACA Meet in 2018!

Mel Carson, AACA Secretary/
Treasurer

It is a fact that a large number of AACA members have never attended a National AACA Meet. There will be at least seven National AACA Meets in 2018. You can review the list and locations under Calendar of Events in the current issue of Antique Automobile. Depending on the Meet location, you can get an up close look at between 200 and 1,400 AACA eligible vehicles.

Many of these Meets are within a reasonable driving time for a large number of members. You would have the opportunity to view the car of your dreams or satisfy your plan to obtain that certain car. Either way, you gain much needed information and satisfy your desire to have more knowledge about the antique vehicle hobby!

Plan now to attend a National AACA Meet in 2018 – you will enjoy the experience.
