Club Website [www.sjraaca.com](http://www.sjraaca.com)

April, 2018

### SIMEONE MUSEUM TOUR

Several members of the South Jersey Region attended a tour to the Simeone Museum in Philadelphia on March 10th.

The Simeone Museum is partnering with AACA and offering free admission for all AACA members.

It was a cold but lovely day for a tour and we were able to see the beautiful antique race cars along with many other antique automobiles. There was also a model car show at the museum, that also was very interesting.

Those attending were Dave & Sue Birchmire, Larry & Marge Irwin, Gene & Michelle Hamilton, Ron & Doretta Scott, Ron & Annette Scott, Terry Shelton, and Ray McFarland.

Michelle Hamilton, Doretta Scott & Sue Birchmire

Photos above are of the Simeone collection and those who attended the tour. Not pictured are Ron and Annette Scott. Additional photos can be seen on our website [sjraaca.com](http://sjraaca.com)

**4-20 Mike Orsini**

**BIRTHDAYS NEEDED!** If you haven't been to a meeting lately and never gave me your birthday, then I don't have it. E-mail or mail your birthday to me so I can make sure it's in the newsletter.

\*\*\*\*\*

## SUNSHINE

Bonnie Green reported a fruit basket was delivered to Judy Fischer and sympathy cards were sent to Marcie Lewis, Donna Crim & Bryan Lewis and Sandy Zane.

## PRESIDENT'S CORNER

*Ray McFarland*

Hello again friends. I am happy to report that our Swap Meet was well attended by vendors and shoppers. The snows of Thursday were melted and the grounds were hard with only one or two vehicles getting stuck but did not require a tow with tractors. Our club members joined together to make the Swap Meet a success.

It is with sadness and broken heart that I must report the death of Tim Crim, 17 years old. Tim worked both days at the swap meet and told Linda that he was going to join the club. Tim was killed in a motor vehicle accident on Sunday, on his way home. Tim is survived by his mother, father, brother and grandmother Marcie Lewis. Words cannot express our grief at the loss of this young man.

Spring is sprung? What are your thoughts and memories of springs? In my 70 + years, I remember Easter as a time of new Sunday School cloths, coloring eggs, candy, baby ducks, chicks, bunny rabbits, Easter sunrise service, mothers and children with hats and Easter finery. Shopping for our Easter outfits at Robert Hall. (Do you remember Robert Hall's advertising jingle?) Easter parades, in towns and cities. Family times, dinners with everyone all dressed up, no blue jeans. Well times have changed. The older we get the more we reflect on the past.

Well you have the perfect way to bring back those old good memories and make new happy times to remember. **OLD CARS!!**

Join with us on our local and national car tours, meets and cruises. Bring a friend, talk up your club.

Check out our website's new look. Watch the home page scroll through to see some of our beautiful cars.

See you on the road.

\*\*\*\*\*

## FROM YOUR EDITOR

*Linda McFarland*

Welcome Spring! Well maybe. As I write this note, we were supposed to have more snow. But, luckily we were given a reprieve.

I know you are ready for spring as well. I am really looking forward to the warmer weather and our first Bobbitt Cruise on Wednesday, April 18th. Lets hope for a nice warm spring day.

Of course, spring means getting our cars ready for the cruising season and our first Kountry Kitchen Cruise will be on April 28th. They always go all out for us with a great buffet.

I hope to see everyone out to our cruises.

We are also looking forward to touring with our cars to the surrounding areas. If there are any specific places that you think would be of interest to everyone, please let me know so we can plan a day trip or even an overnight trip.

I am especially looking for someone to help plan these tours and trips. Your help is always appreciated.

We are having a Board of Director's meeting on Monday, April 16th so if you have some ideas or suggestions, please let me know so we can discuss with our Board.

We cannot begin to thank everyone enough for all the help that made our annual Swap Meet a great success. We had so many out on Saturday and Sunday, it made everyone's jobs much easier. Remember to check out our website regularly for updated information.

I am always looking for articles on your favorite car. Don't forget, I will gladly help you write the article. Just give me the basics and a photo and I will do the rest.

And, don't forget to get me those recipes. You know how we all love to eat.

**Meeting Highlights of the  
South Jersey Region  
Monday, April 2, 2018**

The meeting was called to order by President Ray McFarland at 7:05 pm. All stood for the flag salute and pledge of allegiance. Ray then called for a moment of silence in memory of Tim Crim.

Ray then asked for any new members or guests in attendance. He introduced Raymond & Judy Fischer who joined our club last year. They came down from north Jersey. Also present was Wayne Tuck from New Jersey Region AACA. Wayne is also AACA VP of Membership. Wayne took a few minutes to introduce himself and spoke regarding the importance of encouraging more people to join AACA. He also spoke regarding the recent correspondence we have received from the AACA Museum. He was available after the meeting to speak with anyone who had more questions.

Becky Counsellor then read the Secretary's report. Edna Norris gave the Treasurers report. Both reports were approved as given and bills were approved for payment.

Bonnie Green gave the Sunshine Report. A fruit basket was delivered to Judy Fischer and sympathy cards were sent to Marcie Lewis, Donna Crim & Bryan Lewis and Sandy Zane.

Becky then read the correspondence. Thank you notes were received from John & Fran Shore and Judy Fischer.

Ray spoke on the recent Simeone Museum Tour.

Gary Green then gave the Swap Meet Report. He thanked everyone for all their help. He noted that all the vendors seemed happy with their profits at the swap meet.

Ray then noted that the Board of Directors had discussed the giving of a donation to the family of Tim Crim. Chuck Gibson also spoke regarding Tim's contributions to our swap meet this year. A motion was made and approved to give the family a check to help with expenses.

Friendship & Food will be on April 12th at 6:30 pm at the Elmer Diner, 41 Chestnut Street (US Rt. 40), Elmer, NJ

April 14th is the Brandywine Region AACA Swap Meet in Landenberg, Pa.

Monday April 16th at 7:00 PM is a Board of Director's Meeting at Hitchner's Furniture.

Our Cruise nights will begin this month with Wednesday, April 18th Bobbitt Auto Cruise night and Saturday, April 28th is our Kountry Kitchen Cruise night.

Linda McFarland then spoke on a Strasburg Railroad Tour for Saturday, April 21st. If you are interested in attending, please call Linda.

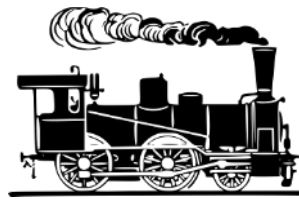

Dave Birchmire then spoke on the Woodstown 4th Friday that the township is trying to have this year. Starting with Friday, April 27th. They would like some antique cars. The cars will be parked in the Friends Meeting House parking lot.

A motion was made and approved to give Howell Wentzell of Red Oak Disposal a gift certificate for providing the dumpster for the swap meet.

Frank Heiss then introduced his nephew Mark Thompson who was going to join our club.

A motion was made to adjourn at 8:00 pm.

\*\*\*\*\*

**STRASBURG  
RAILROAD TOUR  
Saturday, April 21st  
Leaving Pennsville at  
10:30 am**

**Brunch at Dutchway Restaurant. Traveling to Strasburg, PA and visiting the Pennsylvania Railroad Museum. 3:45 Board Strasburg Railroad for "The Great Train Robbery" interactive ride. Tickets \$19 adults; \$13 children (2-11) Contact Linda McFarland 609-202-3907 ASAP for tickets.**

\*\*\*\*\*

**AUTOMOTIVE  
TRIVIA  
Did You Know?**

- In 1913, Maine & Vermont were deciding if eight miles per hour was too fast for an automobile to travel.
- The gasoline gauge on the instrument panel was introduced in 1923.
- Bumpers became optional equipment in 1906.
- Left hand steering was introduced by Ford in 1901.
- In 1905, cars were first sold on the installment plan.
- The word "automobile" first appeared in Youth's Companion magazine in 1896.
- The Ford Motor Company reported profits of over one million dollars in 1907.
- In 1899, Boston parks were closed to motor vehicles during the day to reduce accidents caused by runaway horses.
- Taxi cab service started in New York in 1898. The vehicles were electric powered.
- The rear view mirror was first used in the 1911 Indianapolis 500 race.
- The first speeding ticket was issued in 1902 to a man going ten miles per hour. His fine was \$10.
- Henry Ford's first motor vehicle in 1894 went forward but not backward.
- Goodrich introduced tubeless tires in 1948.

*This was forwarded by Clay Thomas. The source was John Emery, Archivist of the Auburn Cord Duesenberg Museum, Auburn, IN*

## SJRAACA 47th ANNUAL SWAP MEET & CAR CORRAL

### Sunday, March 25, 2018

We had a wonderful day on Saturday, March 24th and Sunday, March 25th with so many members helping with setting up and working the fair grounds. There were over 40 members who came out to help both on set-up day and the day of the swap meet. Thank you to Bob Thompson for taking the many photos you see below.

## SWAP MEET (Continued)

## RECIPE OF THE MONTH

### FIRE CRACKERS

From the Kitchen of Sara Swann  
(Friend of Linda McFarland)

1 1/2 Cup Canola Oil  
1 pkg. ranch dressing mix  
2 Tbsp. crushed red pepper  
1 box of crackers (Saltines/Oyster/Wheat Ritz)

2 1-gallon ziplock bags

Put 2 sleeves of crackers in each bag.  
Pour half of the mixture in each bag.  
Knead or shake several times over a 24 hour period.  
She actually divides the recipe in two measuring cups.

(I have actually never made this recipe but Sara brought these to our ladies retreat and they were excellent.)

**Have a recipe you would like to share?**

## **MY FIRST CAR**

By Larry Irwin

I was a high school student in a small town in Tennessee in 1956. My father felt it was a good time for me to learn to drive.

In Tennessee a person

could obtain a driving license at the age of 16. I think it may still be the law. He felt at 14 it might take me two years to learn how to drive. He proceeded to purchase a 1939 Ford Sedan for an ample sum of \$50.00. At the time we lived on a dead-end street made up of six houses on each side of a small creek with the street running down the middle. My dad would drive the car on Sunday morning and Wednesday afternoon to the lake to go fishing. I was permitted to drive the car all of the other time so long as I did not get off of our dead-end street. My friend, Jim, was having the same opportunity with a World War II jeep. He was told not to drive off of the street. As things go we learned rather quickly about gears and speed plus a few other tricks. Things were going well until one uncontrollable afternoon we took out the side of the bridge over the creek. Jim lost the use of the slightly damaged jeep. I on the other hand was luckier. Going a little fast and breaks being a little weak caused my experience to end up at the lower end of the creek in about three feet of water. Jim and I walked for a while afterwards. That is not the end of the Ford story.

When I turned sixteen and earned my operator's license the 1939 Ford was given to me full time. It was a fun car but I wanted to go more modern. I offered the Ford for sale and immediately got a buyer. I sold the car for \$75.00. Shortly after the buyer came back wanting to return the car. It seems he had a bad driving record and was unable to get a tag for the car. Being the nice person I was, I offered to buy the car back for \$50.00. He accepted. I kept the car for another year, I do not think the oil was ever changed, and to upgrade, I sold it for \$100. That went toward a 1950 Ford that I drove for several years. Been down-hill ever since.

**THE YEAR IN REVIEW**

Tom Cox  
2017 AACA President

My term as President has seemingly flown by overnight. Having been your President in 2013 I felt prepared going into the year for all eventualities, but life takes many different turns and there were both unexpected good and bad issues to deal with during the year. On the bad side, I know many of you still have questions and concerns regarding the relationship with the museum we founded. At this time all I can report is that we simply want to do what is right for our members and coexist in the same city without interference or without continuing to create a false impression about the relationship. Those issues are being addressed by the boards of both organizations.

On the good side, we consummated an agreement to purchase the single best piece of property in “Hershey” and all the due diligence necessary to ensure that there were no problems with the facility, land or title have been completed to our satisfaction. This was a massive effort that was led by legal and real estate experts both hired by the club or who donated their services to us. Also on the good side was our investigation of two new major initiatives for the club that will benefit all members. We are hopeful to make those announcements at the annual meeting.

Tammy and I have been honored to serve you and represent our organization. It has been a special and humbling experience. This past year we traveled a lot with 12 meets and tours on the national schedule. However, it does not end there as there were many region and chapter events that asked us to attend and we tried our best to honor as many of those requests as possible. Forging friendships with other clubs in the hobby found us working with CCCA in Auburn for a very first ever meet between the clubs and then attending concours in Amelia Island and at The Elegance. We hope that we have represented all of you well.

2017 was the first year for the new Zenith Award and something I take away as a special accomplishment for the year. This was an idea I had for years and to see it birthed was truly exciting. The foundation now has been laid and I hope that the award becomes a very important part of the old car hobby. I know the participants last year were thrilled.

While those of us at the Board level do our best to chart a successful course for the Club on your behalf, AACA would not remain the largest and finest organization of its kind in the world without all of you. This is particularly evident to me after reading thousands of newsletters from our local regions and chapters and attending their events. None of this would happen without you. Thank you for doing your part to keep AACA strong.

AACA remains stable with a firm financial and membership picture. We continue to exceed the success of many other clubs in the world due to the stewardship of an excellent Executive Director and staff. I cannot overemphasize their importance to this organization. They have a hand in all that we do from executing events to bringing you our award winning Antique Automobile magazine and continually improving our Library and Research Center. All of us are indebted to them.

With that said, I am proud to have passed the gavel to Chuck Crane as your 2018 President. Chuck and his wife June will have a busy year ahead of them certainly with their own set of challenges and excitement. They have my support and I know you will give them your support as we move forward to making the coming year a great one.

*2018 AACA Winter Rummage Box*

**AACA CALENDAR OF EVENTS**

Listed below are some upcoming National tours and meets you may be interested in attending:

- **March 23-24, 2018** Winter Meet, Mobile, Alabama

**WANT TO DO SOMETHING THAT MAKES YOU FEEL GOOD?**

By Lars Anderson, Vice President  
Library & Research Center

You’ve had an antique vehicle for years and you belong to the finest car club there is. It provides lots of good times and years of memories. You are part of a community, a national community of old car enthusiasts. You share the experience of belonging with many thousands from across the country. You also have another common trait. You’ve collected an array of literature, documents, and magazines - all types of printed matter. More than you really need. What are you doing with the duplicates? Perhaps you sold a vehicle and now have a file cabinet of material which has no meaning to you. How are you going to dispose of it all? You really don’t have the heart to throw it away.

Well here’s a good feeling move you can make. Your AACA Library can use your collection to further their responsibilities as America’s Automotive Library. They would really appreciate receiving it to add to their files. And so would the researcher who hasn’t been able to find, until now, the document you donated and now here it is in our library. It’s all tax deductible because the Library and Research Center is a 501 (c) (3). They’ll send you a nice thank you letter and receipt of material. It’s your responsibility to place a value on it. Call the Library at 717-534-2082 and ask for Chris Ritter or email [critter@aaac.org](mailto:critter@aaac.org). Do it now and start glowing.
