### Never Give Up on Your Dreams

The Bob Hopely story.

Bob always liked Hot Rods. He grew up in Mantua and had built a 1932 Ford Pickup as a teenager that was chopped and channeled with a hot Flathead V-8.

He sold the car and raised a family but never forgot his first pickup and dreamed of having another.

Fast forward to 2016. He got a lead on a 1932 Pickup that was for sale at Joe Koch's garage outside Somer's Point.

Joe had gotten the truck from Sam Baker and had given the truck a Hawaii Surfing theme but retained the 21 stud Flathead motor.

A deal was struck and Bob finally had another Pickup. After some storage and since moving to his new home and garage in Mantua.

Bob has been busy updating the brakes, exhaust and fuel lines. Maybe a chop, channel and some "eye candy" are in the future?

As Bob say's "never give up on your dreams"

*Thank you to John Tumolo for submitting this article for Bob Hopely.*

Have a story about your special automobile?

How about sharing it with us.

Send it to Linda at [sjraaca@gmail.com](mailto:sjraaca@gmail.com)

	8-27 Miriam Willis

**BIRTHDAYS NEEDED!** If you haven't been to a meeting lately and never gave me your birthday, then I don't have it. E-mail or mail your birthday to me so I can make sure it's in the newsletter.

\*\*\*\*\*

## PRESIDENT'S CORNER

*Ray McFarland*

Hello friends!

We have just returned from another AACA tour to north central Pennsylvania.

In the tour we traveled mountainous areas and visited some very interesting venues.

Traveling in the '55 DeSoto which has an untouched V-8 hemi-head engine with 140,000

plus miles, has served us well in the 35 plus years that we have owned her. Through the years I have noticed the valve seals are shot, and she smokes a little down hill. However, on this particular tour, I had to shift her into low gear because of steep long downgrades, rather than overheating my breaks. Then, when looking in the rear view mirror, to check the car behind me, a '50 Ford Convertible, it was hard to see this car because of the dense smoke I was putting out. When we arrived at the next venue, I offered to wipe any oil off the front of their '50 Ford. They were very kind and just laughed and said that it wasn't necessary. Guess I will have to do something with the DeSoto valve seals in the not to distant future.

Many of the cars experienced some of the same problems that vintage cars often develop with high mileage.

This is one of the joys of using your car for what it was intended....Drive our beautiful country.

I encourage each of you to drive your cars and tour.

Drive safely and enjoy your cars.

\*\*\*\*\*

## FROM YOUR EDITOR

*Linda McFarland*

Hello everyone!

It has been a beautiful summer so far and we certainly have enjoyed the recent AACA Eastern Divisional tour. I hope you enjoy my article. We visited so many interesting places.

That is the great thing about tours. You may have visited certain areas before but on these tours you always get to visit venues that you never would have visited on your own. We often gain access to private automobile collections and many other interesting places.

If you have never taken an AACA tour before, please check out the upcoming scheduled tours and consider one. We would be glad to help you with any questions.

We have met so many wonderful people from across the country on our tours.

Its all about enjoying your cars, visiting wonderful places and meeting new people who love our hobby.

Happy Summer!

\*\*\*\*\*

**Meeting Highlights of the  
South Jersey Region  
Monday, July 9, 2018**

The meeting was called to order by President Ray McFarland at 7:05 pm. All stood for the flag salute and pledge of allegiance. There were no guests present.

The secretary and treasurer reports were given and approved and bills were approved for payment.

Ray noted that the printer that Linda uses for all club printing is dying and she will need a new one. The present one is over 4 years old. A motion was made and approved for her to purchase a new printer.

Sunshine—Bonnie Green reported that all were well.

Janet Erdner noted that Cosmo Terrigno of Terrigno's Fairfield Inn had passed away and a sympathy card was circulated for everyone to sign.

There was no correspondence.

Swap Meet Worker Dinner will be held on Sunday, September 16th at the Creekside Inn, Woodstown with appetizers starting at 4:00 pm and dinner at 5:00 pm. A sign up sheet was on the desk for everyone to sign.

Friendship & Food Night Out will be on Thursday, July 12th at 6:30 pm at Val's Seafood Trattoria in Sewell, NJ.

Cruise Nights this month are July 18th Bobbitts and July 28th at Kountry Kitchen.

Ten members attended the WoodMeier Car Show and Pig Roast last month.

Saturday, August 11th is the Mahan Mack Truck Collection Open House in Basking Ridge, NJ. We must have a count by July 15. Drive time is approximately 2 hours and we were encouraged to drive modern as we may have to park a distance away from the collection and be shuttled to the address.

Our Annual Club Picnic is Sunday, August 26th at Larry & Marge Irwin's home in Wilmington Delaware. Larry stood and told everyone that they have plenty of room and a large pool. Parking will be available for everyone. Please give Edna \$10 per person which will be refunded when you attend. Linda will make sure everyone gets directions.

Ron Scott noted that he and Doretta are this years Nominating Committee. He noted that all officer positions are open for nomination and 2 board member positions are also open. If you are interested in running for a position please contact him. We need nominations by the October meeting.

Jim Vertolli noted that there was nothing new regarding the Delaware Bridge Anniversary Cruise on September 12th.

Elmer Day, Saturday, October 6th. Ray noted that our club will once again be handling this show and we will need volunteers. Edna explained the details.

A motion to adjourn was made at 7:45 pm.

**WOODMEIER CAR SHOW & PIG ROAST  
Lambertville, NJ - June 23, 2018**

Twelve South Jersey Region members attended the WoodMeier Car Show & Pig Roast in Lambertville, NJ on Saturday, June 23rd. Rain was predicted but it managed to hold off until afternoon.

Some of us drove modern because of the predicted rain and some of us were brave enough to drive our vintage automobiles.

Bruce Meier who hosts this car show and pig roast every year was expecting 300+ people. But unfortunately the rain kept many away. Our South Jersey people didn't back out. We were all there.

Larry Irwin posing with the Roast Pigs to be served.

Terry Shelton and Miriam Willis trailered their 1914 Model T to the show, while Ken Rehrig drove his 1930 Model A the entire distance. Don & Maria Symonds drove their '76 Pontiac and Ray and I drove our 1955 DeSoto. Larry & Marge Irwin came from Wilmington Delaware and drove modern. Ray and Judy Fischer drove their 1993 Buick Roadmaster.

Shelton 1914 Ford Model T.

Terry was giving folks rides in the Model T, while the rest of us enjoyed the delicious food and fellowship.

The automobiles that did show up were beautiful. Despite the dreary weather we had a wonderful day.

Shelton 1914 Ford Model T.

For more photos please go to [www.sjraaca.com](http://www.sjraaca.com).

**MAHAN MACK TRUCK  
COLLECTION**

**Saturday, August 11, 2018**

**10:00 am—3:00 pm**

**\$10 per person**

**Lunch Included**

**53 Cross Road, Basking Ridge, NJ 07920**

**MUST TURN IN COUNT BY 7/15/18**

**Please contact Linda at [sjraaca@gmail.com](mailto:sjraaca@gmail.com)**

**If you plan to attend.**

**We are encouraged to drive modern for this tour  
We will be taking NJ Turnpike.**

**Eastern Divisional Tour**  
**June 25-29, 2018 - Lock Haven, PA**  
**Hosted by Bob Giles and Tom Roberts**  
By Linda McFarland

We left for Lock Haven PA at 8 am Monday morning. And should have arrived in Lock Haven around 1:00 pm. We experienced a lot of road construction on 322 north. We waited upwards of 40 minutes as the road went to one lane both ways and we had to wait until it was our turn for the traffic to move. We planned then to definitely take a different route home as we were 45 minutes with the delay.

Our hosts Patty and Bob Giles and Sheri and Tom Roberts were there to greet us with a beautiful bag of goodies for the tour. Tom and Bob were getting ready to take a group of tour people on a pre-tour to the private collection of Grant Miller about 5 miles from the hotel. Others visited the Woolrich Factory store or the Piper Aircraft Museum.

Opening dinner was at the "Haywood on the Green" where we enjoyed a delicious Lasagna dinner with all the trimmings. Tom Roberts welcomed everyone and after dinner we heard a few words from Julie Brennen who is Director of Tourism for Clinton County.

Tom Roberts then spoke about a few changes for Tuesday's route due to road construction. We will be getting an additional tour page to use Tuesday at the drivers meeting prior to leaving at 8 am.

**Tuesday** the drivers meeting provided us with a change of route due to road construction. Julie Brennen led our group of automobiles to Hyner View State Park in a slightly different direction in order to avoid the construction. All 24 cars stayed together. It was quite a trip up the mountain to Hyner View State Park. The mountain road up was a bit of a challenge for some of our cars, but we all made it safely.

We then gathered for a group photo after enjoying the beautiful view of the country side. Leaving the state Park we then headed for our coffee stop at the Citizens Hose Co in South Renovo.

We enjoyed delicious pastries and beverages at the Senior Center where we were given a presentation on the Dominion Energy gas plant storage facility nearby. Due to security reasons we were unable to tour the facility. Everyone received a Dominion Energy Hat & Bag.

Following our coffee stop we drove approximately 55 miles to the PA Lumbermen's Museum where we had a very nice lunch and toured the museum. Then we traveled 14 miles west to our next hotel, the Westgate Inn in Coudersport PA.

That evening we had a lovely dinner at the Hotel Crittenden with an ice cream stop a block away at the Sugar & Cream Shop with Penn State Creamery Ice Cream. Delicious!

Hyner View State Park

Don & Carol Barlup's '53 Packard Convertible riding past the Hotel Crittenden

**Wednesday** was rainy but still warm in high 60's but that didn't dampen our spirits. Our first stop was Kinzua Bridge State Park. The skywalk is the reinvention of the Kinzua Viaduct, which was once the longest and tallest railroad structure in the world at 2,053 feet long and 301 feet high. Kinzua Bridge at the State Park had been seriously struck by a tornado in 2003

It is a great view and an awareness of what nature can do.

We were advised to walk out to the bridge before

the rain which fortunately we did as by the time we returned to the visitor center the sky opened up and the rain came down hard. At the visitor center we enjoyed coffee and pastries and a film all about how the Kinzua Bridge came to be.

After our Kinzua Bridge experience we traveled to St.

Kinzua Bridge State Park

Straub Brewery "Eternal Tap"

Mary's PA and the Cobblestone Inn, our lodging for the night. We checked in at the hotel and went on to Ricks Dough Boys Restaurant for our lunch. This restaurant had 2 antique cars in it. Lunch was followed with the Straub Brewery tour and it's "Eternal Tap". Those who toured were able to enjoy a complimentary cup of Straub beer.

(Continued on page 6)

## Eastern Divisional Tour (Continued)

**Thursday** our tour took us to the Elk Country Visitor Center for our coffee stop. The weather was much better with some clearing and little rain. Some watched a movie about Elk Country and its wildlife. Others toured the center and several of us left early to stop at the abandoned Curtiss Wright Nuclear Aircraft Engine Test/Development site circa 1949 through 1960. The path back to the Bunker was paved asphalt but overgrown a bit. 12-14 of us ventured down the path to see the area. We then traveled another 10 miles to our lunch stop at the Sinnamahoning Sportsman Club.

We returned back to Lock Haven for our dinner at Haywood On The Green. A few of the tour group followed dinner by attending a play at the Millbrook Playhouse.

SJRAACA members on tour: Ray & Judy Fischer, Ray & Linda McFarland, Joyce & Chuck Gibson

Snavely Flour Mill owner showing us the process they use to grind wheat.

Our final tour day, **Friday** we toured Snavely's Four Mill. We were able to get up close and personal with how the wheat goes from whole grain to the finished product. This plant provides the flour for Utz pretzels and Kellogg's. We were given a 5 pound bag of flour as a gift to take home.

Next we toured Ulmer Farms, famous for Furmano's tomatoes. We were given a talk from a Furmano representative of how the local farms grow the tomatoes for this company. Each car received a case of tomatoes.

WTL Rep taking us around landfill

We traveled a few miles away to the Wayne Township Landfill and they gave us a presentation regarding their facility.

The Landfill was started in 1972 and in 1988 closed and reopened in 1991 with the current state of the art facility. Our WTL representative told us that the landfill must be 8 feet above the water table and 2 liner systems, a layer of clay and a layer of River stone make the foundation. Piping collects liquid and gas. The liquid is pumped out and reintroduced into the landfill. After our presentation, we boarded a school bus for an up close tour of the landfill. They also produce Compressed Natural Gas

CNG. They sell this to the public. The water that leaches from the landfill gets recirculated back into the landfill. They also make mulch from the trees that come to the landfill and sell it at this facility.

3 goats are their vegetation control. They graze the grass that grows around the landfill. The goats live at the landfill and are cared for by the workers.

After our landfill experience we then traveled over to the Restless Oaks Restaurant for our lovely closing banquet.

Every car received a beautiful photograph of their car with a photo of the entire group. Bob Giles made the table centerpieces and also made a glass memento for each car. After closing remarks we all went our separate way.

We decided to take I 80 for about 40 miles and then travel south to Rt. 15 to Harrisburg and through Lancaster to home.

We left at approximately 3:45 pm and arrived home at 9 pm.

The old '55 DeSoto ran great for 809 total miles.

It was a wonderful tour. Thanks for all your hard work, Bob and Patti Giles and Tom and Sheri Roberts.

Two of the resident goats

Table centerpieces

Everyone received one with their car number

## **MEMORY CORNER**

By Linda McFarland

I thought I would share some memorabilia from our region from many years ago.

Ray was a member of the club in the 70's but unable to be very active with raising 3 boys and working. He still has his original membership badge and wears it proudly.

We both became members around 2007 when we met the Erdners and Wynnes on a AACA National tour. They encouraged us to join the club again.

In 1978 the club would run the Salem Market Street Days Car Show. Ray would always bring out our 1955 DeSoto since the Model 'A' wasn't restored then and needed much work.

Here is a photo of a mug we received for showing our car. The date says:

"4th Annual Market Street Day 8-26-78"

We proudly display this piece in our room with all our other automobile memorabilia.

Recently, new member Larry Irwin was at the Brandywine Region Swap Meet and also found a piece of South Jersey Region memorabilia.

It is a 1982 Woodstown Days plate that was given out to those showing their automobile.

Have something interesting from our region from past years. Send me a photo so I can share it with everyone.

### **DID YOU GET A NEW VEHICLE ?**

## **RECIPE OF THE MONTH**

### **OATMEAL RAISIN COOKIES**

From the kitchen of Larry & Marge Irwin

#### **INGREDIENTS:**

As needed Mazola, No-Stick Canola or  
Butter Flavored Cooking Spray  
1 cup all-purpose flour  
1 teaspoon baking power  
1 teaspoon ground cinnamon  
½ teaspoon ground nutmeg  
½ teaspoon salt  
6 tablespoons butter or margarine softened  
2/3 cup packed light brown sugar  
2/3 cup granulated sugar  
¼ cup corn oil  
1 egg  
1 teaspoon pure vanilla extract  
2 cups old fashioned rolled oats  
1 cup raisins

#### **DIRECTIONS:**

Preheat oven to 350F. Spray cookie sheets with cooking spray. Combine flour, baking powder, cinnamon, nutmeg, and salt in a medium bowl; set aside. Beat butter, sugar, brown sugar, and oil in a large bowl with mixer at medium speed until creamy. Add egg and vanilla; beat until light and fluffy. Blend in flour mixture. Stir in oats and raisins.

Drop by tablespoon, 2 inches apart on prepared cookie sheets. Bake 10 to 12 minutes until cookie edges are golden brown. Cool briefly and remove to wire rack to finish cooling.

TIPS: sub chocolate chips for raisins. Omit cinnamon and nutmeg. Sub nuts of choice for raisins. (We always omit salt for health reasons)

## NEWS FROM NATIONAL

### IMPORTANT HERSHEY INFORMATION

By R.J. "Mac" MacAdam,  
Flea Market/Car Corral Registration Chairman  
Hershey Region AACA, [fallmeet@hersheyaaca.org](mailto:fallmeet@hersheyaaca.org)

Summer registration is almost upon us for Hershey Flea Market, Car Corral and show vehicles. To acquire space(s), you **MUST** request a registration card from AACA National Headquarters by using the Activity Card enclosed in the plastic covering of the May/June issue of *Antique Automobile* magazine. **All requested registration cards will be mailed by the AACA staff on July 3rd.**

With a show as big as Hershey, there are a lot of moving parts for our region volunteers to coordinate. Please help us by reviewing this important information:

1. You can also request **Awards Banquet tickets, Ladies' Luncheon tickets, Juniors at Hershey information and antique car trailer parking** by submitting the Show Car/ Special Events registration card.

2. You must **return the completed registration card and check to Hershey Region**. There will be a pre-addressed envelope enclosed in the packet that you request from National Headquarters. PLEASE read all of the information that accompanies your registration card(s).

3. Cards/Checks not signed will be returned for signatures and could jeopardize your request for space(s).

4. If you have a special location request, you should send a note along with your **Flea Market/Car Corral registration card**. Spaces are assigned by the postmark on the envelope. You can ask for your check to be returned in the event we cannot fulfill your request. If you will accept spaces anywhere, you need not send any note. (Please DO NOT write notes on the registration cards).

5. Please read **ALL** accompanying information that will be enclosed with the registration card(s) you receive from National Headquarters. Your signature on the card confirms you have read, understand and will obey AACA and Hershey Region rules and regulations.

6. Please pay close attention to the **firm postmark deadline of August 15th** on the registration card. We need ample time to make assignments, enter the data and send the information to our printer. There is a very short lead time to accomplish this task.

7. **SALES TAX LICENSE:** If you do not have a sales tax license, you can [apply online here](#) or call 717-783-1405. **IMPORTANT:** Do not wait for your tax license number to arrive. Send your flea market registration card and check to us at the Hershey Region and simply write "applied for" above the Tax ID spaces on the registration card.

From May 2018 AACA Speedster

### AACA CALENDAR OF EVENTS

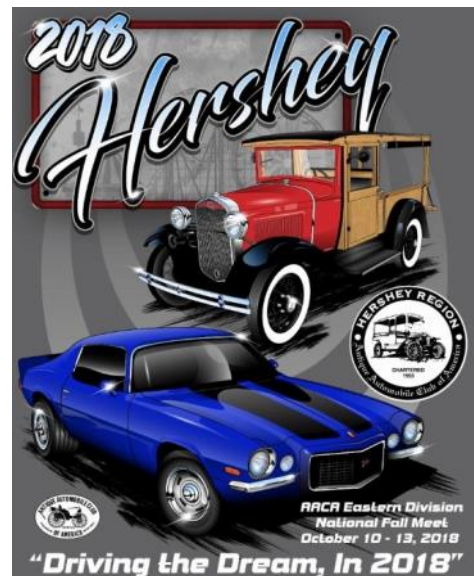

Listed below are some upcoming National tours and meets you may be interested in attending:

- **July 11-14, 2018** AACA Eastern Spring Meet, Gettysburg, PA
