PRESIDENT'S CORNER

Terry Shelton

Hello everyone!

It has been a busy October starting with the Elmer Harvest Day Show and then our Toys for Tots cruise and ending with Broadway Scoops Trunk or Treat.

All have been very well attended.

We also had a great turnout for our Friendship & Food Night Out at the Creekside Inn. We had 38 folks come out for a great meal and wonderful fellowship. The Creekside Inn always does a great job.

We are looking forward to the Christmas season and our annual Christmas Party on December 4th at the Paulsboro Sportsmen's Club starting at 4:00 pm. That morning will be the Salem Christmas Parade.

Hope you will be able to attend one of our activities.

Thank you,
Your President,
Terry Shelton

Bobbitt Auto Toys for Tots Cruise October 16, 2021

The South Jersey Region's Annual Bobbitt Auto Toys for Tots Cruise was a beautiful day. Although there was several other shows going on in the area, we had a great group of cars show up and we collected many toys. We ended our Bobbitt Cruise year with a few special awards given by our DJ, Ed Counsellor.

A Special Award was given to John & Dallas Bobbitt for hosting our cruises all year.

John Bobbitt was asked to choose his favorite automobile present this day. That was a 1967 Plymouth Sport Fury owned by Tim Lowe.

DJ Ed Counsellor then presented a special award to Jack McDermott and his 1937 Chevy Master Deluxe.

The final award was given to John Wild for his continued support to our cruises all year.

Have We Got a Deal For You at two 1950s New Car Dealer Promotions

For over one-hundred years new auto dealers have relied on factory promotions, concept and show cars, and their own sometimes cheesy efforts to get prospective car buyers on the lot or in the showroom. Today's feature contains images of the 1954 Buick Wildcat II Motorama concept car. In addition, there are photos of a tacky DeSoto and Plymouth Dealers "Sell-A-Thon."

The lead image and the photo above shot at Skinner Buick in an unknown location feature the 1954 Buick Wildcat II Motorama concept car constructed by the Buick Division of General Motors. This unique show car was constructed on a Corvette chassis equipped with a supercharged Buick V-8. The Wildcat II fiberglass body shared the cutaway front fender styling cue with the 1954 Buick Skylark and utilized a one-piece Wildcat II hood and fenders with the headlights mounted on the bumper.

This pair of press photos were taken by a "St. Louis Post-Dispatch" photographer circa 1957 at a Beyer Motors DeSoto-Plymouth "Sell-A-Thon" in St. Louis, MO, at 3435 South Kingshighway. The second photo below contains a period advertisement placed by Beyer Motors in the "Post-Dispatch."

Meeting Highlights of the South Jersey Region November 1, 2021

The meeting was called to order by President Terry Shelton at 7:10 pm. All stood for the Flag salute.

There was 44 members in attendance.

Terry then asked that Annette Scott & Debbie Hinkle to please count the election ballots.

There were no new members or guests in attendance.

Gene Hamilton gave the secretary's report from the October 4th meeting.

Chuck Gibson gave the treasurer's report.

Both reports were approved as read.

Chuck noted that he is accepting dues (\$20 per family) tonight from members.

Sunshine: Bonnie Green was not in attendance, Linda said that Bonnie sent sympathy cards to Melissa Counsellor, Audrey Holladay, and get well cards to Ray McFarland, Marcy Lewis and Mike Orsini.

Elmer Harvest Car Show—it was noted that there were 132 cars registered and about 30+ cars that did not registered in attendance that day.

Bobbitt's Toys for Tots Cruise was well attended and Ed Counsellor then spoke regarding the trophies he handed out to Bobbitts and several other people.

Friendship & Food—it was suggested that we go to the Green Olive 2 Restaurant for November. Janet Erdner will call the restaurant and reserve November 18th at 6:30 for us.

Sunday, November 7th is the Baby C's Car Show at the Elsinboro VFW from 10 am to 3 pm. There is a \$10 registration fee which will go to Three Little Birds Pregnancy & Infant Loss Charity in honor of Baby C.

Salem Christmas Parade is Saturday, December 4th starting with breakfast at the Oak Diner. The cars should line up either along Rt. 49 or Fourth Street. Janet Erdner will call to register our club to appear in the parade.

The Club Christmas Party is scheduled for Saturday, December 4th from 4:00-8:00 PM. A new caterer has been found that is able to do our food for \$25 per person. A motion was made to accept the proposed menu from Impact Catering and secure them for our Christmas Party. Motion passed by all members.

Please send your checks to Chuck Gibson no later than Monday, November 29th in order to reserve your place for the evening.

We will once again be collecting funds for the Sunshine Foundation. We hope everyone will be generous this year. We would like to support between 2 and 4 families.

It was noted that Carlton Holladay who just recently passed is a charter member of the club and a \$250 donation is usually sent to the AACA Library or the AACA Museum in his memory. There was discussion and a vote taken to decide whether to send

the donation to the Library or the Museum. The Vote decided that money would be sent to the AACA Library Endowment Fund. It was also noted that since our treasury is low that we wait until after swap meet to send any money to the AACA Library. A motion was made and approved that the club wait until after Swap Meet to send the \$250 donation in Carlton Holladay's memory to the AACA Library Endowment Fund.

Election Results: Ron W. Scott, President, Terry Shelton, Vice President, Janet Erdner, Secretary, Chuck Gibson, Treasurer, Don Symonds & Larry Irwin have been elected to the Board.

Debbie Hinkle noted that she brought puzzles for anyone to take.

No other business was discussed.

Meeting adjourned at 7:45 PM.

T H A N K Y O U !

Marcy Lewis would like to thank everyone for their cards, calls and prayers during her recent illness.

She is so thankful for our caring Car Club members.

Every Christmas our club supports several needy families through the Sunshine Foundation, our Club Charity. The Sunshine Foundation helps families of children with disabilities (chronically & terminally ill). We hope you will consider a generous gift this year at our Christmas Party. Or, if you are unable to attend our Christmas Party, please mail a check to Chuck Gibson with a note saying it is for the Sunshine Foundation.

Why talk about Wills in a car publication?

By Jim Elliott AACA President

Like it or not, someday, someone else will own your cars, as well as your tools, your memorabilia and even your jewelry, clothes and home. So, it's not too early to establish a plan for your estate, but it can quickly become too late.

If you don't have a Will, your estate will pass according to the laws governing succession. This means that you will lose all control over where your assets will go. It's possible your least favorite son-in-law will receive a large portion of your estate.

Wills are an inexpensive tool to make sure your wishes are followed. A visit to your local attorney can resolve this issue in a matter of days. You can write your own Will or even purchase a Will kit online or at a stationary store. However, it will be impossible to correct any mistakes you make after you pass away.

If you have a Will, make sure you review it annually. It is important to update it to incorporate any changes in circumstances.

Also, make sure your beneficiaries are clearly named. If you leave a bequest to your "nephew", be sure to include his name. Likewise, a gift to the "AACA" can be confusing as it could include the dental group, American Academy of Clear Aligners, or the Asian American Civil Association.

Gifts to the AACA Museum, are just that, gifts to the museum. As the AACA and the museum are separate entities and are no longer affiliated with each other, no gift to the museum supports the AACA or the AACA Library. And while the AACA does not have a museum, gifts and bequests of your cars, car related items and financial contributions are always welcomed and always are used for the support of the Club and our Library.
