PRESIDENT'S CORNER

Ron W. Scott

Greetings from the oval office?

Since I did not attend the last meeting I will only assume it went very well and our vice president did a great job as usual.

I did attend the club picnic which was very well attended and I believe everyone had a great time. Paulsboro sportsman club is always a beautiful location by the river.

Our food and friendship also went very well even though one of our members broke a tooth during dinner. I won't give the name but it was ironic that he broke a tooth on an olive pit at the green olive restaurant!

On August 25 we had a board of directors meeting and voted to have Bob Bowling complete the unexpired term of Marven Chin. We discussed the various shows coming up and I would like to mention the 911 show at the Concord Mall where we have volunteered to do the judging for the show. They have given us free admission to the show and will provide food for all the judges. Bringing your car is optional. I hope we get a few more volunteers to help judge. Please contact either Linda or myself if you can help judge. The other activities will be listed in the newsletter that we discussed. Our Christmas party will be held December 10, time and location to be announced. We have two board positions opening up the end of this year so anyone wishing to put their name on the ballot please notify Linda.

See you at our next meeting on September 12 if not before?

Till next time, happy trails.

Ron

The summer is really flying by way too fast. But now that September has arrived I am sure it will be nice to get our cars out and enjoy the cooler weather.

We are looking forward to our September activities.

Starting with South Jersey Classics on Saturday, September 10 and then the Sirens & Shields Show, September 11th at the Concord Mall (Old Sears parking lot) Wilmington DE. We could really use some folks to help us judge this show. It is for a really good cause.

Our Friendship & Food Night is September 15th at Carollo's Ristoranti in Franklinville.

And then our Bobbitt Auto Cruise is Wednesday, September 21st.

REMEMBERING

MARVEN CHIN 6/20/1970 to 7/31/2022

Long time member and Board member of the South Jersey Region, Marven Chin, lost his battle with cancer recently.

He was a wonderful friend to us all and always willing to help anyone in need.

He especially loved his Mopar vehicles, especially his 1968 Dodge Charger R/T which was his pride and joy. He was known in the car community as "Mopar Marven". He especially loved teaching his two children, Tyler and Alexandria the ins and outs of how cars are assembled and operate.

Marven and his whole family were always involved in the many South Jersey Region activities. During Swap Meet days, you would always find Marven, Hok-Wai, Tyler and Alex right there helping out. Even when he wasn't feeling his best, somehow he would find a way to be there for everyone.

Always smiling, that is how I will always remember Marven.

Bobbitt Auto, August 17, 2022 **Andrew Boucher—Car Enthusiast**

Story & Photos by Frank Mauer

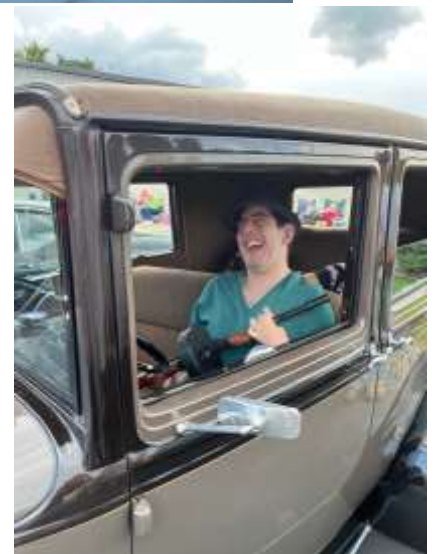

Andrew Boucher will turn 30 this October. Unlike other young men his age he does not have the set of wheels most men have at his age. Andrew has been confined to a wheel chair for longer than his mom, Robin Kerns-Boucher cares to remember. His cerebral palsy is not an inability. His mom does everything that she can to give Andrew what any other human being had growing up.

For his 21st birthday he had a huge party at Hooters in Delaware where he was the center of attention the entire evening. He even received a poster signed by every waitress on staff that night. That poster of course had all the waitresses in it with Andrew.

So for his 30th birthday Robin wanted to do something special for him. Knowing her friend was in a car club, Robin brought Andrew to the car show at Bobbitt Auto August 17, 2022, for Andrew to look at the vehicles and maybe sit in a couple.

That couple expanded as owners graciously offered to let Andrew get behind the wheel and have pictures taken for his 30th birthday calendar. The smiles on Andrew's face say it all.

It is great individuals like the SJRAACA members that open their hearts to make a difference in someone's life with a simple act of kindness.

FOUR SEASONS CAMPGROUND SHOW

August 13, 2022

The Four Seasons Campground Show was a benefit show for one of the campground's employee who was battling cancer. There were over 100 cars in attendance and the monies raised would be directly helping this employee with his medical bills.

Each person attending received a goodie bag with lots of items and there was also several vendors selling items and also a Chinese auction.

Many South Jersey Region members attended this show. A beautiful cool day for a show.

SJRAACA ANNUAL PICNIC
August 21, 2022 - Paulsboro Sportsmen's Club

Our Annual Club Picnic was held at the Paulsboro Sportsmen's Club. It was a beautiful day on the Delaware River. The river traffic was light but the weather was just lovely. We had 50 members in attendance.

Here are some of the many photos that were taken by Maria Symonds and Larry Irwin. The entire album is on our website sjraaca.com.

Volkswagen “Super Beetle” Convertible.

By Wayne Tuck 2022 AACA National President

Returning from overseas duty in 1971 with two years active duty remaining to serve in the military, we needed a car that was reliable and economical to operate. The new Volkswagen “Super Beetle” was introduced that year and added some features that seemed to fit our needs so it was decided this was the right car for us to purchase.

One of the deciding factors was the increased storage area in the trunk. The newly designed Macpherson strut front suspension and “bubble” trunk hood increased the storage space to nine cubic feet...an amazing 86% increase over the standard Beetle! That, among many other improvements in the defroster/heating system, storage behind the seat and the dual port heads boosted the 1600 CC engine to a whopping 60 HP.

We intended to buy the standard sedan. However, with demand being high for the new model our dealer only had two choices available. We could only get a bright yellow convertible or a Karmann Ghia from stock. We decided to spring for the extra \$200 and bought the convertible. The convertible body was produced by Karmann.

What fun we had with that car! We owned it for eight years. Putting the top down on a summer day, enjoying rides through the country, bringing friends and family for tours through the Washington DC area were all enjoyable and bring back many fond memories. As each of our three children were born, all were driven home the first time in that car. But as our fifth family member was added it became evident that our beloved super beetle no longer fit our needs. Having paid \$2400 new, it sold for \$1800 eight years later. Not bad depreciation by today’s standards.

Fast forward 45 years. Driving through town, there beside the road was a nearly identical 1976 bright yellow super beetle convertible with a for sale sign in the window. With a little negotiation we now have our beloved bright yellow super beetle back to drive and enjoy. Now we are making new memories and look forward to seeing you on a National AACA Tour. Look for the bright yellow Super Beetle Convertible. See you down the road!
