The Complete Unknown By Burroughs Timberman

Lights, Camera, Wait! On Sunday May 12th, Doretta and Ron Scott, Marge and Larry Irwin, Gene Hamilton, and Burroughs Timberman headed to Cape May NJ to co-star with Timothee Chalamet, Edward Norton, Monica Barbaro, and Elle Fanning among others in the filming of "The Complete Unknown".

We arrived Sunday Morning to a whirlwind of commotion. Cape May had been transformed into the 1965 Rhode Island Folk Music festival. This was a pivotal point in Bob Dylans career when he went from acoustic to electric guitar.

After a brief introduction in a staging area, we transported all our vehicles to the main set. Going back in time to the Summer of 1965. Ron's Corvette fit right in being the nicest just released model. Doretta's Falcon looked spot on as a lovely convertible cruising the Rhode Island coast. Larry and Marge in their Dodge, Gene in his Ford and Burry in his

Corvette. Once arriving on the main set we learned the ways of movie production. First, When they say 15 minutes, that means 2 hours. Second, there is free food, everywhere! There is nothing that makes a bunch of antique car people happier than Lasagna, Meatballs, Chicken, Gnocchi, Pasta with Bolognese, and many, many, more. Breakfast, Lunch and Dinner was all fully catered, and amazing! It made it always easy to find us.

Some of our folks enjoying the many meals served.

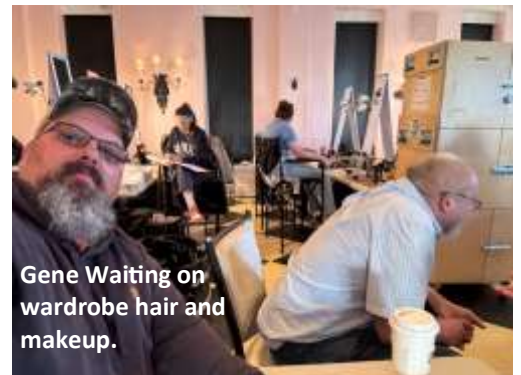

We started out with some staged parking lot scenes in front of the Hotel. Usually rearranging the cars 2 or 3 times till the Director was happy. A few of us would then be sent to Wardrobe. We would be dressed in appropriate clothing and move on to hair and makeup. I believe we all enjoyed that more than we should have. We were all very agreeable until they wanted to shave Gene's beard. That was not going to happen. Back on set, some of us would be driving by the scene. Some may be waiting in the cars with

other extras. Each scene would take 1-4 hours to shoot. We were told that may equal 15-30 seconds of film.

Ron, Doretta & Larry Waiting on wardrobe hair and makeup.

(Continued on Page 4)

6-25 Doretta Scott

SUNSHINE - Bonnie Green reported that she sent a get well cards to Mike Lafferty & Paul Counsellor.

PRESIDENT'S CORNER

Ron W. Scott

Greetings from the oval office?

May was a very busy month with quite a few things happening for our club. We had our swap meet dinner, our cruise at Salem County Auto Repair, friendship and food and a few of us participated in the Bob Dylan movie in Cape May.

We will briefly touch on all of these things at our June meeting.

We always welcome comments and suggestions! (Linda loves articles for the newsletter) Hope to see our meeting room filled!

Till next time, happy trails!

Ron

FROM YOUR EDITOR

Hello from behind my computer!

Our Cruise season is underway. We had our first Cruise at Salem County Auto Repair in May, despite the weather. There wasn't any rain but it was cold and windy. A few brave souls showed up and we lasted until 6:30 pm that night.

Hopefully the June Cruise will be nicer weather. There are several shows for June starting with the Alloway Fire Company Show on June 8th and then on June 15th is the Quinton School Car Show. Our Salem County Auto Repair Cruise is on Wednesday June 19th.

This month we will be going up to Bordentown, to the Town & Country Diner for our Friendship & Food and see our members from up that area.

Hope to see you at one of our activities.

Linda

MEETING HIGHLIGHTS OF SOUTH JERSEY REGION

May 6, 2024

The meeting was called to order at 7:00 PM by President Ron Scott. All members stood for the flag salute. Ron then asked if there were any new members in the audience. There were no visitors or new members in attendance.

Linda read the Secretary's report and Chuck gave the Treasurer's report. Both were approved as read. Chuck noted that we still have not received the State Police bill from the Swap Meet.

Sunshine: Bonnie reported that get well cards were sent to Mike Lafferty and Paul Counsellor.

Bill Flitcraft reported on the Mini Car Show at the Adult Day Center. It went very well and the folks all enjoyed seeing the cars. He will try to schedule another show there in the fall.

Frank Maurer reported on the Vo-Tech show. About 100 cars attended and the students made special award plaques. Miriam received a plaque for the 50 Buick, Chuck received a plaque for his 41 Chevy. Bill Flitcraft received a plaque for his 36 Dodge Truck. Hats and umbrellas were also handed out.

Ron noted the changes in Woodstown Diner after meeting

refreshments. All members must give your order when we first arrive. Selections include pie, OR Pudding OR Jello OR Muffins OR Ice-cream. No cakes or Pie a la mode. If you would like cake or pie a la mode you must pay for this yourself.

Challenge Coins. Gene Hamilton is still waiting on samples to come in.

Ron noted that the Sunshine Foundation sent multiple thank you letters.

Swap Meet Worker Dinner is on May 11th at 5 PM at the Elmer Diner.

Movie Cars – Several members are taking their cars to Cape May from May 11 through May 18.

May 16th is Friendship & Food at the Black Olive Restaurant in Vineland.

July 17th is the Boardwalk Classic Car Show and Silent Film. Chuck noted that we should enter no earlier than 12:30 pm.

Maria Symonds noted that June 1st is the Mt. Holly Car Show. It is a very nice show.

The Fredericksburg AACA Tour from is June 9-13th. May 10th is the last date to register for this tour.

Ed Fuller noted that June 1st at 5:00 pm is the Monroeville Fire Company Show.

Steve Krieger spoke about a tour to the Grounds For Sculpture in Hamilton New Jersey. It is a 42 acre sight of sculptures and gardens. We are looking into a possible date of October 27th to tour this place. Steve will look into this for us.

There was a motion to adjourn at 7:40 pm.

ANNUAL CLUB PICNIC SUNDAY, AUGUST 4th

Noon to 4:00 PM

at the bar.

The Complete Unknown (Continued)

Day 3 was the big Ferry scene. They had staged a mock ferry terminal a long side of the Cape May Lewis Ferry. We traveled in a parade of cars the 8 miles over to the new location. We were led by Al Battelini's 1940 ford tow truck. He said it was the first time since 1974 that it wouldn't go into high range. It was a slow but pleasant trip. Over the course of 8 hours at the Ferry, we shot 2 scenes. They were some of the best shots of our cars and us. We were staged in line waiting for the ferry and the action is happening around us.

Gene walking toward his car at the Ferry lineup.

Burry in line at the Ferry.

Day 4, 5, and 6 were back at the Hotel. We worked with the rain and would film in all types of weather. Keep an eye out for Gene, Larry and Marge, and Doretta driving by through the film. Ron and Burry should be seen at the ferry.

50+ antique vehicles were in attendance. We were able to represent the SJRAACA with pride.

Burry dressed for the scene.

We met members of other chapters and locals from the area.

We all quickly became friends. Doretta immediately became a fan favorite. Her pleasant interactions with the spectators and the crew made her a local celebrity. Gene Hamilton will definitely take the award for most time filmed. He was told by the crew "your our Ace in the hole. If a scene is a little slow, Gene and his Ford come driving thru". Although our vehicles were the stars, we all got to make appearances throughout the movie.

Doretta dressed for her scene

Some other notable vehicle owners who are members of other clubs and/or chapters were Red truck Jim, MG Bob, Back up Bob, Victor (owns a movie car company), Al Battelini, Chuck Battersby, and others. I could go on for pages with all the stories of these wonderful people.

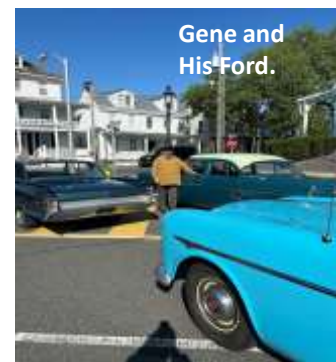

Ron, Larry, Marge and Gene having lunch in shade

Filming went from sun up to sun down and beyond. There were days we worked 15+ hours. The SJRAACA members worked together well as a team. The crew seemed very happy with us and treated us like stars. Our working duties were keeping the vehicles running and moving thru different scenes. We were in charge of our own vehicles and assisted with moving others.

We hope to hear from the production company again when they are in search of more vehicles. I want to thank Ron and the SJRAACA for passing along this opportunity to all of us.

Youth Scholarships

Debbie Nolen, Vice-President

As one of the ways we can strengthen our old car hobby and continue its appreciation from one generation to the next, the AACA award and scholarship program recognizes students who demonstrate academic studentship paired with an active interest and participation in the antique car hobby. Whether their interests have been shown through restoration, preservation, and/or ownership of antique cars, AACA supports its commitment to qualified candidates with several types of \$1500 awards, with privately funded scholarships also awarded periodically.

All Scholarship awards are presented as part of the AACA Annual Convention each year in conjunction with AACA's national awards. This year we were blessed with a highly competitive applicant group of 29 scholars and old car hobbyists and AACA is honored to award the following scholarships listed below. I especially want to thank the 2023 members of the Youth Scholarship Review committee who were amazing in their evaluation, perceptions, and fairness in dealing with a strong applicant field. The committee included Julie Aubrey, WY; Tracy Ricketts Leshner, PA; Patrick Gamble, PA; Dave and Marilyn Chiotti, CA; Scott Kopp, PA, and Pat Buckley,

The AACA Region Nominated Young People's Scholarship Award Olivia Belk, Denver, NC/East Tenseness State University (Nominated by the Hornet's Nest Region, NC) This award recognizes an individual who is nominated by an AACA region or chapter, has made a significant contribution to its successful operation and/or has demonstrated a sustained active interest in owning, restoring, or preserving antique vehicles or automobilia.

The AACA Scholarship Award John Schwear, III, Sugarloaf, PA/ Pennsylvania College of Technology, Williamsport, PA Weaver Goldman, Hershey, PA/ Worcester Polytechnic Institute, Worcester, MA This award is granted to encourage individuals to further their education and stimulate interest in AACA and the history of vehicles in general.

The Louise Bianchi Chiotti Memorial Scholarship Mary Rose, Ridgeway, OH/ Wilmington College, Wilmington, OH This award was instituted and funded by Dave and Marilyn Chiotti to honor Louise and as a way to continue to support youth in the automobile hobby.

The John and Janet Ricketts Leadership Scholarship Elizabeth Bodvin, Hanover, PA/High Point University, NC This award is in recognition of AACA's first female national president, Janet Ricketts, who served in 1999 and is granted and funded by the family of John and Janet Ricketts in appreciation of their love for AACA and their belief in service to the club.

The Hershey Region Automotive Restoration Scholarship Richard Metclaf, Katy, Texas/Southern Illinois University – Carbondale, Ill

Tyler Chin, Williamstown, NJ/Ursinus College, Collegetown, PA This award is granted by the Hershey Region AACA to students to further their education and stimulate interest in AACA and automotive history. One or more awards may be presented each year. Selection will be made by the AACA Scholarship Award Committee, the then current President of the Hershey Region and the current chair of the region education committee.
