October 2024

The Wild AACA Western Divisional Tour - Buffalo, Wyoming, July 2024

Story and Photos by Maria Symonds

Last year when we first saw the entry for this tour on the calendar we started making plans. The opportunity to make this trip was just too good to pass up! We started looking for a car that would handle a 4,000-mile round trip from the East Coast to Wyoming and back. The vehicle also needed to be able to handle the mountains in Wyoming and it needed to be something that I would drive. We found a great candidate in the Hershey Car Corral, made a deal and became the owners of a 1996 Mercury Cougar XR7. The car needed a little bit of TLC but by June of 2024 we were ready. We took a test run to Virginia on the Eastern Divisional Tour and felt comfortable and confident in our abilities AND the car.

We started off on July 5th, right after the holiday figuring that we could make good time with less traffic. We planned on a 4-night 5-day trip out west with arrival in Buffalo on Tuesday the 9th. We got to Ohio on night 1, safe and sound. Day 2, Saturday the 6th, we did take a chance and went right through the heart of Chicago with no problem! The rest of our route took us through Madison, WI, Sioux Falls, SD, and Spearfish, SD. As soon as we crossed the Mississippi it was obvious we were not on the East Coast anymore! The landscape changed and so did the speed limits. We heeded the instructions from our hosts to start hydrating NOW in preparation for the change in elevation.

At our hotel in Sioux Falls we came across an intrepid group of 4 MG's on their way from Maryland to Oregon and back! I asked one of the lady drivers how you pack for a trip like that in that little car and she told me most of the space was taken up by parts ☐, you just need to do laundry every other day or so.

We took the opportunity to make a side trip to Mount Rushmore on our way from Sioux Falls to Spearfish. This was the first test of the mountain climbing abilities of the car and driver (me). We survived. The view is spectacular.

**BIRTHDAYS
THIS MONTH**

SUNSHINE - Bonnie Green reported that she sent a get well card to Michelle Hamilton.

PRESIDENT'S CORNER

Ron W. Scott

Greetings from the oval office?

I hope everyone is enjoying the fall weather! It has been a relief to say goodbye to the extreme heat.

September, and October were and will be very busy months for us in the car hobby.

Unfortunately, we started out September with losing one of our longtime members Bill Wynne. He will be sadly missed (see article in this newsletter).

Frank Mauer has created a new online email ballot form to use for the two board member positions. Please do your utmost to vote! Those who do not use email will receive a paper ballot.

Speaking of voting, Vince Delise from the New Jersey region is running for the AACA National Board of Directors. Most of you should remember Vince because he visited us when he was in charge of the Glidden tour two years ago. He is a good guy!

Don't forget our meeting will be the second Monday, which is the 14th this month due to Hershey. Unfortunately, our cruise was canceled for September and the next one will be our toys for tots on October 16.

Don't forget Elmer Day on October 5. We do need help with this show so please do your best to come out and give us a hand. We can always count on our club for workers when needed.

The rest of October will also be busy with our Gateway Classics show on the 26th (AM) and Broadway Scoops also on the 26th. (PM) Both are trunk or treat events. Hope to see quite a few of you at both events.

See you at the meeting on the 14th!

Till next time, happy trails!

Ron

FROM YOUR EDITOR

Hello from behind my computer! Well it certainly has been a busy September and October looks to be just a busy.

I will be sending out a link to VOTE for our 2 Board of Directors. Please Vote by October 15th.

Our next big show is the Elmer Harvest Day Car Show in memory of our first president Lew Zane on Saturday, October 5th. We sure could use everyone's help with parking and registration. We have special plaques for the winners. All who register will receive goodie bags. We hope to have a great turnout.

Unfortunately our Cruise at Salem County Auto Repair was cancelled because of expected rain. But we sure hope for a great day on Wednesday, October 16th for our Toys for Tots Cruise. This will be our last cruise of the season and we want to thank Salem County Auto Repair for hosting us this year. We really appreciate them having us each month. Lets make our last Cruise the best and don't forget your toys for the Toys for Tots. I hope to see everyone there.

We also have 2 Trunk or Treat opportunities on October 26th, one at Gateway Classics at 9:00 am at their new place in Runnemede and the other at Broadway Scoops from 2:00-4:00 pm in Pennsville.

Don't forget to add your vehicle to our website through our special LINK. If you have misplaced your email, please let me know and I will resend it to you.

Linda

MEETING HIGHLIGHTS OF SOUTH JERSEY REGION

September 9, 2024

Meeting was called to order by President Ron Scott at 7:00 PM. All stood for the flag salute. There were two new members in the audience. David Bullock, and Mary Thibodeau. Both will complete membership paperwork and bring next month.

Linda read the minutes of the last meeting and Chuck gave the treasurer's report. Both were approved as read.

Sunshine Report – Bonnie reported that a card was sent to Michelle Hamilton.

Ron Scott noted that long time member Bill Wynne has passed away and his funeral was on Friday September 13th. Linda will email everyone with details. They have requested that anyone who is able to please bring their antique auto to the funeral.

Old Business – Reminder about the Diner desserts – only pie, pudding, jello, muffins or ice cream NO CAKES.

Our October Meeting is the 2nd Monday, October 14th, because of so many members attending Hershey.

Gene Hamilton is still checking on Challenge Coins.

Many of our members attended the Pennsville FOP All American Car Show on August 10th and the club received a special trophy for Best Participation by a Car Club.

August 21st was the Salem County Auto Repair Cruise and it was very well attended.

August 24th was the 4 Seasons Campground show and it also was a great show. \$1,034 was collected for the Sunshine Foundation and the Campground has also adopted the Sunshine Foundation as their Charity.

August 25th was the Veterans Home show in Vineland and it was very well attended.

New Business

2 Board Members are coming off for next year (Ed Fuller and Bob Bowling) and we need to replace them. If you are interested in running for the Board, Frank Maurer is the Elections Chairperson. Please see Frank if you are interested in running for the Board.

Frank Maurer also noted that a teacher friend was in need of a 4 door vintage car for a wedding on October 18th they are paying \$300. Please see Frank if you are interested.

Sunday, September 8th is the Paulsboro Car Show, September 18th is the Salem County Auto Repair Cruise, September 19th is Friendship & Food in Bordentown NJ, September 27th is the Mini Car Show at the Active Day Center in Bridgeton.

Saturday, September 28th is the New Jersey Region one day tour., October 5th is the Elmer Day Harvest Car Show, October 14th is our Next Meeting (2nd Monday because of Hershey). October 16th is the Salem County Auto Repair Toys for Tots Cruise. Janet Erdner noted that she will get boxes for the toys.

It was suggested that we go to Vesuvios for October Friendship & Food, Linda will call for reservations.

Saturday, October 26th at 9:00 am is the Gateway Classics Trunk or Treat Show and our Club is the featured club. We will receive \$200 as long as we have 10 or more cars. Their new address is 195 E. 9th Ave., Runnemede, NJ.

Saturday, October 26th from 2:00-4:00 PM is the Broadway Scoops Trunk or Treat Show.

Sunday, October 27th is the Chevy Club Swap Meet at Cowtown. November 3rd – Steve Krieger will be looking into scheduling a tour for our club.

Frank Maurer has created a LINK for our members to put their automobile information and photo on our website. Linda will send the LINK out to all members.

Member Craig Borrie will check with the Friends Home regarding a possible show for residents.

Eileen Niedzialek said she stopped in to see Edna Norris recently at the Friends Home and she was doing well.

Motion to adjourn at 7:47 pm.

WEDNESDAY, OCTOBER 16TH—5:00-7:30 PM

**Is our LAST cruise of the season at
Salem County Auto Repair.**

**PLEASE NOTE IT IS OUR TOYS FOR TOTS CRUISE
PLEASE BRING A NEW UNWRAPPED TOY.**

William "Bill" Wynne

By Doretta Scott

On Sept. 13, 2024 we said our final farewell to a longtime member of the South Jersey Region, William "Bill" Wynne.

Bill and his wife Valerie were both very active in AACA and especially the South Jersey Region for over 40 years.

Bill was always very proud to participate in club activities and especially tours with one of his several antique cars.

Among the cars Bill and Valerie had was a 1929 Ford roadster. Now that was a fun car! On one occasion, Ron and I happen to be at their home visiting, and I mentioned I had never been in a car with a rumble seat. Bill immediately said "well, we can try it now". And so down the road we went. Bill and Valerie in the car, and Ron and I in the rumble seat! What a joy! One of those memories you never forget.

Thanks Bill!

Bill was always a quiet man but did enjoy the antique car hobby. In the last few years, Bill and Valerie were not able to be as active in the club as they once were. But his presence is still missed.

Many of you will just have to take my word for it. Heaven has gained another wonderful antique car lover!

God's speed, Bill.

Upcoming events:

The Elmer Harvest Day, October 5th, is our club's Lew Zane Memorial Car Show. We will need everyone to help with this show. We will need help with parking and registration. Please arrive by 8:30-9:00 am.

There will also be a drawing for a \$20 Broadway Scoops gift card for the best decorated trunk.
Broadway Scoops ... 126 North Broadway, Pennsville NJ 08070

The Wild AACA Western Divisional Tour (Continued)

We also ran into a Mini Cooper "East Meets West" Convention in Spearfish. The hotel parking lot had at least 100 of those little guys all preparing for their show which was starting just as we left for Buffalo.

On Tuesday the 9th, we arrived early at the host hotel and spent some time sitting at the picnic tables relaxing while the cabins were prepared for us. The host hotel, Z-Bar Cabins & Motel, was a true gem. A small, family run establishment with rustic cabins and a few motel rooms. The next day was

the official registration day. We did some sightseeing in the town of Buffalo and waited for the rest of the group to arrive and check in. A dinner with several participants was organized and we enjoyed a great meal at the Bozeman Steak House.

A "cozy" cabin!

Murals on Main Street

Continued on page 6.....

The Wild AACA Western Divisional Tour (Continued from page 5)

Thursday July 11th, we started the day with the driver's meeting where Juli Aubrey gave us our complicated directions to Gillette. "Leave the hotel, turn left and stay on Route 16". We were also instructed to stay hydrated and avoid altitude sickness. Our elevation was about 4,700 feet, which to some of us, was very different! The ride to Gillette was beautiful and we arrived at the Frontier Auto Museum where they had the road blocked off for us to park. The museum was full of goodies and room after room packed with treasures. A really nice collection. There was a little bit of concern when it was announced that our bus to the next stop had broken down, but someone pulled off a little miracle and the bus arrived to collect the first group just a few minutes late.

A horse drawn oil truck?

A Packard stacked on an Edsel!

1936 Ford 3 Window Coupe (very rare according to the museum!)

The bus took us on a guided tour of the Eagle Butte Coal Mine which was fascinating. The bus was a bit hot, but the driver was cheerful and full of interesting information about the coal mining industry in the area. We heard about the steps taken to prepare these sites for mining and reclamation after mining is completed. We had passed through a field of reclaimed land without even knowing it had

been mined at all. Approximately 1,887 acres have been reclaimed from this mine already. According to their information handout over 2,000,000 acres have been recovered nation-wide. It's a critical part of the energy story that is so important to Wyoming. Our tour took us down into the current seam they are mining, so we got an idea of the scale of the operation. The bus dropped us back to the museum and collected the second group for their tour. We headed to the lunch stop for some food and cool drinks. Everyone made their way back to Buffalo and we were on their own for dinner.

TO BE CONTINUED NEXT MONTH

IN THE BARN - MARSHMALLOWS

Campfire Marshmallows have been a family favorite since 1917, when the Imperial Candy Company/Redel Candy Corp. of Milwaukee introduced the delicious treats, with packaging that recommended roasting the product over fires.

Two years later, Campfire responded to the increasing popularity of marshmallows as a baking ingredient by rounding the shape of the marshmallows and increasing the size of the package. Increasingly, marshmallows became an everyday purchase for American families.

In 1939, Campfire Marshmallows were part of marshmallow history when Mildred Day and Malitta Jensen of the Campfire Girls used Campfire Marshmallows to create the first Rice Krispies marshmallow treat as part of a fundraiser for the Michigan Campfire Girls Council.

Over the years, Campfire has been proud to be a member of great food manufacturing organizations including the Angelus Company (makers of Cracker Jack), Borden Inc., International Home Foods, and Con Agra. Since 2003, Campfire Marshmallows has been part of the Doumak, Inc. family of brands, with headquarters based in Illinois.

Today, Campfire Marshmallows continues to produce top-quality marshmallows for snacking, baking, crafting, and more. Campfire's commitment to innovation has led to the launch of the Giant Roasters, Fruitswirlers, and season varieties, which have become popular with sweet snack fans everywhere.

It is not known exactly when marshmallows were invented, but their history goes back as early as 2,000 BCE. Ancient Egyptians were said to be the first to make and use the root of the plant to soothe coughs and sore throats and to heal wounds.

GROW YOUR REGION AND YOUR CLUB

By Dave Anspach AACA Executive Vice President

Everyone knows that membership has been down over the past few years. It had gone down a bit pre covid, dropped a lot more during covid, and has continued a gradual decline since then. There are a thousand reasons why this is happening, but we, as a club shouldn't just sit back and accept it. It is up to every one of us to FIGHT this trend!! But HOW?? What can one person do??

Well, first of all, realize that you are NOT alone. The club provides all kinds of materials for you to use to promote membership. Get them from the office in Hershey and USE them. Carry them with you ever you go. See an old car at the gas station? Give the driver some literature. See a guy in the store with a car jacket, tshirt, or hat on ? invite him or her to your next region meeting. Going to a car show? Set up a table with a batch of AACA Magazines and recruit members. Just think, if every member just got one new member a year, in just a few years we would be a massive organization!

I mentioned being part of a region. For many people the social aspect of the old car hobby is the primary factor for joining a club. Use our regions shows, tours, picnics, parties etc as a tool to get people to join. Push your region to do things together. A group of AACA show cars together going to a local show will surely dominate the prizes. People want to be a part of a winner and they will want to join your club. Invite every person to your Regional meeting. Carry with you and give to every one an introduction to your Region and the places and another thing to remember is to get a name and email address. Then send that prospective member an electronic copy of your Region newsletter (which costs you nothing) and have your membership chair send them a reminder before your next meeting!!

And don't forget those free memberships. Who can say no to something free? But please, don't just hand the form to someone. Get their information and have them sign it and take it with you! Then, be sure to mail it in to Hershey. So many forms have just been handed out and gone unused!! Remember we have special free memberships for veterans. Use them !! The fact that veterans are recognized is sometimes the difference that brings someone into the fold. We ALL must fight this battle of declining membership. Every one of us had a special reason or person who got us involved. It is up to YOU to be the reason or person for the next new member to join!!
