March 2026

AACA National Convention February 5-7, 2026, Chantilly, Virginia By Frank Maurer

Ten of the SJRAACA members made the drive to Chantilly, Virginia to attend the AACA National Convention. Our first day started with a very nice breakfast followed by all of us boarding buses to tour Washington DC. While the weather was cold and blustery, the inside of the bus was warm and full of light heartedness as we made our way around our nation's capitol. We drove past the Pentagon, Washington Monument, Department of Agriculture, and various other federal buildings before coming to a stop at the Capitol. We all got out and heard the history of the Capitol and the surrounding area. We were told that the light at the top of the Capitol is lit when congress is in session. The backdrop made a great spot for our first group photo.

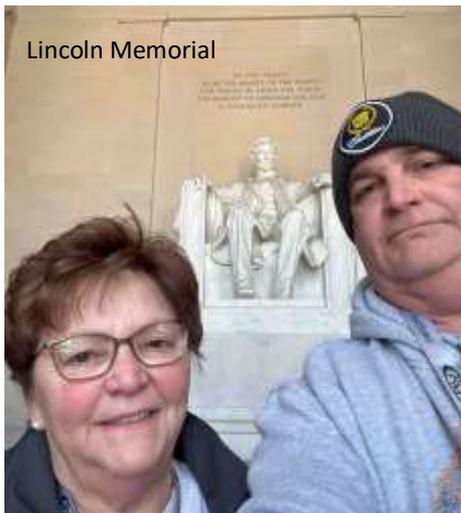

We then boarded the bus and headed past the Archives building and came to our second stop at the White House. We tried to figure out which flag poles were the new ones. We could see the cranes for the expansion project. Back on the bus we enjoyed a nice box lunch and came to our next stop at the World War II Memorial. The size and quietness around the monument spoke volumes about what it stands for to our country.

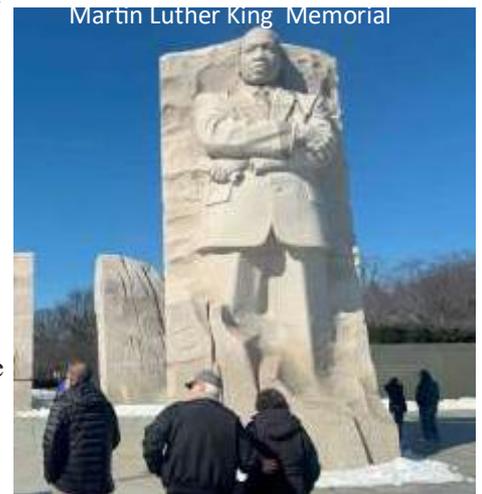

Jefferson Memorial

Our next stop on the tour was the Jefferson Memorial. Again a magnificent building with amazing architecture. Next we boarded the bus to see the Martin Luther King Jr. memorial. Outstanding and inspiring are a few words that we heard there. The next two spots were also very solemn sights. The Korean War Memorial with the names and etching of the faces of the men and women who fought in the war. We learned that the third statue to the left is of the actual artist that made all of the bronze statues. Over to the Vietnam Memorial where the number of names on that wall was staggering. We walked past the newest memorial dedicated to the nurses of Vietnam. Gene Hamilton was overwhelmed with the war memorials to our fallen heroes. We also walked numerous ramps to see the Lincoln Memorial and take another group photo inside this building. Once back to the hotel we got a preview of the trade show and got to talk to several other clubs about upcoming events. Later that night we attended the Director's Welcome Reception and had a great time just chatting and telling stories. Doretta Scott stated that she loved the camaraderie between ourselves and the other regions and chapters. Chuck and Joyce Gibson said they thought the DC tour was wonderful.

SUNSHINE - Bonnie Green
 sent a get well card to Raymond Fisher and a Sympathy card to Judy Fischer.

PRESIDENT'S CORNER

Frank Maurer

As we flip the calendar to March, there is a distinct shift in the air. The "brutal" winter months are finally behind us, and for many of us, that means one thing: it is officially time to get the "beast" back on the road.

Whether your car has been tucked away under a cover or you have been busy with a "man cave" restoration project, the countdown to driving season has begun.

Spring Prep & Maintenance

Before you turn the key for the first time this season, a little bit of prep goes a long way. This is the perfect time to:

Check Your Fluids: If you are running a vintage ride, remember to double-check if your antifreeze is appropriate for your model to avoid cooling issues as the weather warms up.

The "Ten-Foot" Rule: Like many British classics, some of our cars might look great at 100 feet but show their "50-year-old" character at 10 feet. Use these early March weekends for detailing or finishing up those "rattle can" touch-ups before the first club meet.

Stay warm and keep wrenching.

Warmly,
 Frank

FROM YOUR EDITOR

Hello from behind my computer! I really can't believe this winter. I am writing this on Monday, just after the Blizzard of 2026. This will definitely be a winter we won't forget.

Won't be long before we are getting ready for our upcoming Swap Meet on March 22nd. The flyer is in this newsletter. I hope everyone will do their best to help out in any way possible.

We had a great Friendship & Food at the Bluebird Diner. 30 folks attended and the service was great. We will be going to Carollo's for March. Hope to see you there.

Don't forget to send me those articles. I always need something new for folks to read.

Linda

FRIENDSHIP & FOOD NIGHT OUT

200 Egg Harbor Rd., Sewell, NJ

MEETING HIGHLIGHTS OF SOUTH JERSEY REGION February 2, 2026

At 7:00 P.M. the meeting began with a call to order and Pledge of Allegiance.

The January minutes were read and approved.
The treasurer's report was read and approved.

Bonnie Green reported that she sent a get well card to MaryJane Shipman she also called her and told her to let someone know if she wanted to come to a meeting. Arrangements could be made to make sure that she got here. Janet Erdner is still healing from her recent surgeries.

Doretta Scott reported that Jim Parave is applying for AACA membership and when completed will be a member of SJRAACA.

New Business, Ed Fuller reported on the Swap Meet. He asked the members to spread the word out about the Swap Meet through Facebook, post the link, and pray for good weather. To date, we have about 50 vendors, about the same as last year at this time.

Gary Green echoed the same as Ed Fuller about spreading the word about the Swap Meet. Ed Counsellor added the need for helpers. From people standing at the entrance with donation buckets, to people checking the rest room supplies, there is no help too small. The more the merrier.

In other new business, Ed Fuller reported on the one day Pizza Tour. The date along with all the information regarding the 4 Pizzerias, the routes, etc. will be reported as soon as he gets his son's soccer schedule. It will be either on a Saturday or Sunday.

Frank Maurer discussed the possibility of getting Rocky to make up shirts for the Swap Meet. The motion was approved.

There is still no update on the Frank Todd memorial show as Carl Constantino is in the throgs of a new home and Terry has had no information from him.

Ron Scott, reported on the Glidden Tour. The logo is finalized and will be online. The cost is not yet set. Ron stated that there are some heavy hitters as donators.

Gene Hamilton reported on the Divisional Tour that we have been given an alternate date of October 24-29 instead of the September dates we had hoped for due to a conflict. Gene also reported that the plan is for the Holiday Inn in Swedesboro to be the primary location for the opening ceremonies, parking and trailers. They will reserve a block of rooms and offer a discount as well. The KOA does not offer any discount; however, 4 Seasons campground will hold up to 10 spots and offer a 25% discount.

The Sunshine Foundation is celebrating their 50th year. It was reported that through our generous donations we have had an impact on 727 children. Doretta Scott mentioned what an impact the Run, Walk, and Bark had on those of us who attended last year because we got to see some of the families first hand and how grateful they are.

A reminder from Bill Flitcraft about. The Sentimental Tour on June 15 in Mechanicsburg, PA.

No one had any suggestions or questions that they wanted brought up at the Convention in Chantilly, VA.

Chuck Gibson thanked Linda McFarland for the great article in the newsletter.

Ed Counsellor and Frank Maurer discussed the idea of sending out an email and coordinating get togethers for car shows so that we can go together and arrive as a group.

Michelle Hamilton asked about the possibility of getting lapel pins with the Club's logo. She's going to get a price and get back to us with more information.

The meeting was adjourned at 7:39.

Respectfully submitted,
Mary Maurer, SJRAACA Secretary

SUNSHINE

If you know of a member who has been sick, or bereaved and could use a card or help in any way, please get in touch with Bonnie Green at 856-575-5547 or 609-617-0828 and let her know.

SWAP MEET IS COMING!

**We need everyone's help!
We have a job for you.**

**Come out for our Swap Meet Set Up on
Saturday, March 21st.
Breakfast on the Club at 8:30 am
At the Woodstown Diner.**

**Then we will all go to the Fairgrounds
For set up.**

**There is something for everyone!
Placing small signs on buildings
Placing plastic bags in trash cans
Helping to mark out buildings & tailgate
with chalk**

Many hands makes the jobs go quickly.

**SWAP MEET DAY March 22nd
Please arrive early 5 AM**

**We need folks to help collect parking
donations at the gate.**

**We need help checking on the
rest rooms.**

**For those who cannot arrive early we will
need help with clean up
late morning and afternoon.**

AACA National Convention (Continued)

The next day we all met at the breakfast and hit various seminars to learn how to better market and showcase our chapter. We all attended the First Lady Luncheon with great food and one of the most inspiring stories I have heard in many years. For more about this keynote speaker take a moment and look up www.hangupanddrive.com. You will not be sorry. After the first day of seminars Ron Scott commented that they were the best seminars that he has ever experienced.

Mary Maurer & Doretta Scott

That night wrapped up with a 70's themed casino night. There were smiles and laughter the entire night as members played casino games, had caricatures done and 70's themed stickers on their body. There was true peace and love for the AACA that night.

Dave & Debra Anspach
with Ron and Doretta

The final day started off again with breakfast and more trade shows and seminars. After a relaxing lunch we all attended a seminar on the Andy Griffith Show and the cars that made the show.

Little to say that the gentleman presenting had more than ample knowledge of the show, cars, and production lot.

Shortly after we all attended the General Membership meeting and realized that we were now talking to people we had met and expanded our small group.

The grand finale was the award dinner. Exceptional is an understatement. While it was a long evening it was a great evening to sit with new people and get to know them and their stories.

Our own Linda McFarland was awarded the Webmaster award again this year at the banquet. We learned that many people near our club area were in attendance but are not yet members.

Mary Maurer commented that she hoped every club member would take the opportunity to experience at least one National Convention. It was a really memorable experience

and I learned so much from the seminars.

To wrap this up, the friends and club members that went to Chantilly Va were like a family once there. What was a total surprise was that once there it was like a huge family reunion where we met new friends who are also family of this hobby. So we got to meet our extended cousins at a huge family reunion of about 500 people.

BLAST FROM THE PAST
Comments Made in the Year 1955!
Submitted by Ron Scott

'I'll tell you one thing. If things keep going the way they are, it's going to be impossible to buy a week's groceries for \$20.00

'Have you seen the new cars coming out next year? It won't be long before \$2,000 will only buy a used one.'

'If cigarettes keep going up in price, I'm going to quit. A quarter a pack is ridiculous.

'Did you hear the post office is thinking about charging a dime just to mail a letter? (PS-The price is going up to 44 cents on May 4, 2009.

'If they raise the minimum wage to \$1.00, nobody will be able to hire outside help at the store.'

When I first started driving, who would have thought gas would someday cost \$.29 cents a gallon. Guess we'd be better off leaving the car in the garage.' (Oh! If they could see it now!)

'Kids today are impossible. Those ducktail hair cuts make it impossible to stay groomed. Next thing you know, boys will be wearing their hair long as the girls.'

'I'm afraid to send my kids to the movies any more. Ever since they let Clark Gable get by with saying DAMN in Gone with the Wind, it seems every new movie has either HELL or DAMN in it.

'I read the other day where some scientist think it's possible to put a man on the moon by the end of the century. They even have some fellows they call astronauts preparing for it down in Texas.'

'Did you see where some baseball player just signed ca contract for \$75,000 a year just to play ball? It wouldn't surprise me if someday they'll be making more than the President.'

'I never thought I'd see the day all our kitchen appliances would be electric. They are even making electric typewriters now.'

'It's too bad things are so tough nowadays. I see where a few married women are having to work to make ends meet.'

'It won't be long before young couples are going to have to hire someone to watch their kids so they can both work.'

'Marriage doesn't mean a thing any more, those Hollywood stars seem to be getting divorced at the drop of a hat.'

I'm afraid the Volkswagen car is going to open the door to a whole lot of foreign business.'

'Thank goodness I won't live to see the day when the Government takes half our income in taxes. I sometimes wonder if we are electing the best people to Congress.'

'The drive-in restaurant is convenient in nice weather, but I seriously doubt they will ever catch on.'

'There is no sense going to Lincoln or Omaha anymore for a weekend, it costs nearly \$15.00 a night to stay in a hotel.'

'No one can afford to be sick any more at \$35.00 a day in the hospital it's too rich for my blood.'

'If they think I'll pay 50 cents for a hair cut, forget it.'

This is what car guys do!
Help each other.
Taking the motor out of
Ron Scott's 1940 LaSalle.

Frank Maurer, Terry Shelton and Tom Peterson.

- **April 8-20, 2027 Southeastern Spring Nationals Charlotte, N.C. Hornets Nest Region**
- **July 22-24 Central Spring Nationals, New Ulm, Minnesota—Minnesota Region**

**REMEMBERING RAY FISCHER**

By Chuck Gibson

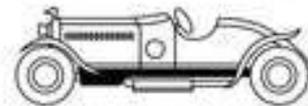

Ray Fischer was the kind of a man that you instantly liked upon first meeting him. He just had that kind of personality! We first met on some AACA tours about 20 years ago. Ray, his wife Judy, Joyce and I would speak often while attending AACA events, particularly the AACA Annual Meetings which were held in Philadelphia for many years. Judy oversaw the trade show and Ray oversaw cars displayed at the Annual Meeting. I felt honored to be asked by Ray to display a car on two separate occasions!

About 2013, we attended the AACA National Meet in Carlisle, PA. Ray invited Joyce and I to have dinner with him and Judy. During that dinner, Ray asked us if we would consider co-chairing an AACA Founders Tour with them to be held in 2014. Immediately knowing that the four of us would make a good team, we agreed. Ray already had ideas about venues and wanted the tour to be split between Central NJ and Southern NJ. Joyce and I would be responsible for the southern part. With all plans in place and venues locked in, Joyce and I checked the northern tour routes and Ray and Judy checked the southern routes to check each other's work. The tour was a great success and, of course, Ray and Judy were wonderful to work with! The next thing Ray and Judy had me involved with was chairing the Region Presidents Dinner at the Annual Meeting until the Meeting was moved from Philadelphia.

We always coordinated meeting Ray and Judy at car shows, particularly Macungie and Boyertown where we would just sit behind our cars and talk about, well, you guessed it, cars!

Ray knew a lot of people. At car shows, different people would walk up to say "hello" and Ray would introduce everyone and bingo, we had more friends.

This is what is so wonderful about our hobby and AACA; the people we meet who become life-long friends! Rest in peace Raymond A. Fischer! We enjoyed our time with you immensely. Until we meet again!
